

RESOLUTION NO. 2322

**A RESOLUTION OF THE ROSEVILLE JOINT UNION HIGH SCHOOL DISTRICT
IN OPPOSITION TO THE ASPIRE SOLAIRE TERRITORY TRANSFER PETITION
AND FURTHER REQUESTING THE PLACER AND SACRAMENTO COUNTY
COMMITTEES ON SCHOOL DISTRICT ORGANIZATION DENY THE PETITION**

WHEREAS, on or about December 16, 2022, Petitioner Melissa Campbell submitted a petition to the Placer County Committee on School District Organization (Placer County Committee) to transfer territory currently within the Center Joint Unified School District (CJUSD) to the Roseville Joint Union High School District (RJUHS) and Roseville City School District: and

WHEREAS, the information provided demonstrates the shortcomings of the petition, including but not limited to:

- The boundary between CJUSD and RJUHS was already addressed, along with the developer, in 2019. Further changes could lead to other nearby neighborhoods going through the same petition process rather than waiting for CJUSD to build its new schools.
- CJUSD would lose \$78 million in assessed value representing 2.25% of the CJUSD tax base.
- Loss of developer fees for purchased homes in Aspire Solaire which have already been allocated to CJUSD.
- Due to anticipated enrollment projections at West Park High School, students residing in Aspire Solaire would be zoned to attend either Roseville, Oakmont or Antelope High Schools which are farther than their current school attendance zoning of Center High School.
- Increased cost to RJUHS transportation of approximately \$50,000 annually as students will be bussed to Roseville, Oakmont or Antelope High Schools. This would also require the need to purchase an additional bus and train and hire an additional bus driver.
- Would create confusion among attendance boundaries because the Aspire Solaire zoning would be non-contiguous.

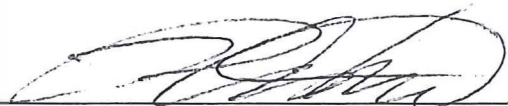

WHEREAS, RJUHS desires to publicly express its opposition to this current Petition and further requests that the Placer County Committee and Sacramento County Committee, should they become involved, summarily deny the Petition.

THEREFORE, LET BE RESOLVED, the Governing Board of the Roseville Joint Union High School District opposes the current Petition as presently constituted

BE IT FURTHER RESOLVED, the Governing Board of the Roseville Joint Union High School District respectfully requests the Placer County Committee and the Sacramento County Committee deny the Petition.
