## PETITION FOR TRANSFER OF TERRITORY

To the Superintendents of Schools of Placer and Sacramento Counties

Pursuant to *Education Code* Section 35700, subdivision (a), the undersigned, constituting at least 25 percent of the registered electors residing in the territory proposed to be transferred, now within the boundaries of the Center Joint Unified School District, Sacramento County, petition that the boundaries of the Center Joint Unified School District be changed to eliminate from it the territory hereinafter described. The undersigned persons petition that the territory be transferred to and included within the Roseville City School District and Roseville Joint Union High School District of Placer County.

**The property to be transferred is described as follows:**

*The Aspire Solaire neighborhood located in the Westpark area of Roseville, CA 95747. It is bordered by Daylight Drive, Solaire Drive, Santucci Blvd and Pleasant Grove Blvd in Roseville, CA within Placer County.*

**The undersigned request the changes in the respective boundaries of the school districts for a variety of reasons including the following:**

- *To be included within the Substantial Community Identity that is established within our area of Solaire and Westpark. As the boundaries stand, our neighborhood is isolated from the community we "identify" with. All surrounding neighborhoods, with the exception of our singular neighborhood, are within the Roseville City School District and Roseville Joint Union High School District.*
- *To promote geographic compactness. For example, Westbrook Elementary School is under construction a block from the Aspire neighborhood and can be visualized from Aspire yet our children are unable to attend and instead are expected to endure an unreasonable, prolonged commute to school.*
- *It is in the best interest of the student population within our neighborhood.*

RE: Territory Transfer Petition - Center Joint Unified School District, Roseville  
City School District, and Roseville Joint Union High School District

Dear Mr. Allen and Mr. Vineyard:

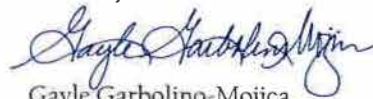

Enclosed please find a petition submitted to the Placer County Office of Education by Melissa Campbell, as Chief Petitioner. The petition seeks to transfer the "Aspire Solaire" neighborhood, as described in the petition, located in the Westpark area of Roseville, California, from the Center Joint Unified School District to the Roseville City School District and the Roseville Joint Union High School District.

The Placer County Office of Education received the completed petition on December 16, 2022, and, in consultation with Placer County Elections office, have found it to be sufficient and signed as required by law. Therefore, we are simultaneously transmitting the petition the State Board of Education and the Placer County Committee on School District Organization, and will comply with the requirements set forth in Education Code sections 35705 *et seq.*

As a portion of the Center Joint Unified School District is located in Sacramento County, we have shared information on the Placer County Office of Education's review of the petition with the Sacramento County Superintendent of Schools and anticipate that he will be concurring in this determination shortly.

If you have any questions or require additional information, please contact me at (530) 889-8020 or by email at [ggarbolino-mojica@placercoe.org](mailto:ggarbolino-mojica@placercoe.org).

Sincerely,

Gayle Garbolino-Mojica,

Re: Territory Transfer Petition – Center Joint Unified School District, Roseville City School District, and Roseville Joint Union High School District

(916) 228-2500

Dear Mr. Allen and Chair Keefer:

[www.scoe.net](http://www.scoe.net)

The enclosed petition was submitted to the Placer and Sacramento County Offices of Education by Melissa Campbell as Chief Petitioner. The petition seeks to transfer the “Aspire Solaire” neighborhood (bordered by Daylight Drive, Solaire Drive, Santucci Boulevard and Pleasant Grove Boulevard) in Roseville, California from the Center Joint Unified School District to the Roseville City School District and Roseville Joint Union High School District.

The Center school district is within the jurisdiction of the Sacramento County Superintendent of Schools, while the Roseville school districts are within the jurisdiction of the Placer County Superintendent of Schools. As the territory proposed for transfer is within an area of the Center school district that is in Placer County, the Placer County Superintendent of Schools has taken the lead in validating the petition signatures.

On January 13, 2023, the Placer County Superintendent, in consultation with the Placer County Elections Office, found the petition to be sufficient and signed as required by law. As such, she transmitted the petition to the State Board of Education and the Placer County Committee on School District Organization.

Based upon the petition and the signature certification information provided by the Placer County Superintendent and Elections Office, I concur with the Placer County Superintendent’s sufficiency determination. Therefore, we are transmitting the petition to the State Board of Education and the Sacramento County Committee on School District Organization, and we will comply with the requirements set forth in Education Code sections 35705 et seq.

Paul Keefer, Chair

As the territory transfer petition impacts school districts within the jurisdictions of the Sacramento and Placer County Committees on School District Organization, both County Committees will need to consider and hold hearings within their respective school districts regarding the petition.

If you have any questions or require additional information, please contact Teresa Stinson, General Counsel at (916) 228-2714 or by email at [tstinson@scoe.net](mailto:tstinson@scoe.net).
