## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

The Special Education Department at SCOE offers a range of services to students with moderate to severe disabilities that promote an engaging and positive learning environment. Using a standards-aligned curriculum, Unique Learning Systems (ULS) for students with Moderate to Severe Disabilities, teachers are providing instruction that addresses the state standards and is adapted to meet the individual learning needs of each student. In addition, Mobility Opportunities Via Education/Experience (MOVE) Curriculum further addresses the specialized motor and physical needs of students to facilitate access to educational and community opportunities. SCOE has implemented the MOVE curriculum for many years and in 2007 became a Model Demonstration Site. Services provided by highly qualified specialists in speech and language development, vision, orientation and mobility, and nursing ensure a program that educates the whole child. We also partner with referring school districts to offer Occupational Therapy, Physical Therapy and Adapted Physical Education services to meet those needs for our students. Students are educated in classrooms located on comprehensive campuses throughout the county, which provides opportunities to interact with nondisabled peers daily.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	15.50	62.00	107.70	71.67	228366.10	83.12

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	17.00	65.38	91.60	63.50	234405.20	84.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	1.00	0.00
Misassignments	1.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	2.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

### Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	1.00
Local Assignment Options	0.00	1.00
Total Out-of-Field Teachers	0.00	2.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

### Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	4.3	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	11.1	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

### 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All students with severe disabilities have access to standards-based core curriculum that is linked to the following alternate assessment areas: communication, self-care/independent living, mobility/motor skills, functional academics, vocational, social emotional, and recreation/leisure. The adopted curriculum addresses the unique needs of each student while addressing independence and self-advocacy.

## School Facility Conditions and Planned Improvements

Each classroom that houses a class for students with severe disabilities is maintained to ensure the health and safety of the students and staff who use the room daily. SCOE collaborates with district personnel to provide appropriate building maintenance. Teachers and classroom staff are provided with supplies that enable them to have a healthy environment. All of the facilities meet current building codes for safety and are maintained to ensure the health and safety of the students and staff who use classrooms daily. Facilities inspections are ongoing, and custodial services are provided to ensure a healthy environment for students and staff. SCOE's maintenance staff ensures that the repairs necessary to keep the schools in good working order are completed in a timely manner. A work order process is used to ensure efficient service, and emergency repairs are given the highest priority. Classrooms and restrooms are adapted and equipped to meet the students' needs. Some buildings housing programs for students with severe disabilities are older; SCOE is addressing the repairs and updating of these facilities in a methodical manner, as resources will allow.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	3	5	24	24	47	46
Mathematics (grades 3-8 and 11)	3	3	17	16	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## 2022-23 Career Technical Education Programs

### Dropout and Graduation Rate:

The SCOE Special Education programs for students with moderate/severe needs follow an alternative, standards-based curriculum that addresses the individual student goals as delineated in their IEPs. This curriculum focuses on functional skills and does not lead to a diploma as defined by the California Education Code. Students are recognized with a Certificate of Achievement.

### WorkAbility:

The WorkAbility Program provides funding to students with moderate/severe disabilities to help them prepare to transition successfully from school to the adult world. Students participate in curriculum designed to maximize independence and develop skills related to work experience and daily living skills, which addresses their post-secondary transition goals. Many of the activities take place through Community-Based Instruction (CBI) and are based in a variety of community settings typical of adult life activities.

C. Engagement

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement
Parents and guardians of students enrolled in special education classes designed to serve students with moderate to severe disabilities have many opportunities for involvement. These experiences include Individualized Education Program (IEP) meetings, Back to School Nights, Open Houses, English Learner Advisory Committee (ELAC) meetings, as well as specialized activities put on by individual school sites and classrooms throughout the school year.

C. Engagement

**State Priority: Pupil Engagement**

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

## 2023-24 School Safety Plan

All of the classes in the Special Education program are located on campuses of schools within the districts that SCOE serves. Elements of the school safety plan include Fire Emergency Procedures, Shelter in Place Procedures, Emergency Contact Protocol, and Earthquake Emergency Procedures. Each classroom has an emergency procedure chart for immediate access. A Safety Committee reviews the existing safety plan on an annual basis and staff meetings may involve ongoing reviews of the Site's Safety Plan. The classroom staff ensure that the front office has essential information for each student enrolled in the SCOE class and have a plan in place with their colleagues for getting assistance in evacuating students who are not independently mobile. Classroom staff are trained in bloodborne pathogens, mandated reporter, first aid and CPR.

## Fiscal Year 2022-23 Types of Services Funded

The Special Education Department of Sacramento County Office of Education (SCOE) offers special education services to students with significant and complex disabilities. These students' needs have been identified in an Individualized Education Program (IEP) plan developed by a school district or county office of education program team. There are classrooms located throughout the county and located on general education campuses. SCOE works closely with the districts to provide students with age appropriate campuses that give them opportunities to interact with their peers.
