

RESOLUTION NO. 20/2022-23

OF THE CENTER JOINT UNIFIED SCHOOL DISTRICT IN OPPOSITION TO THE ASPIRE SOLAIRE TERRITORY TRANSFER PETITION AND FURTHER REQUESTING THE PLACER AND SACRAMENTO COUNTY COMMITTEES ON SCHOOL DISTRICT ORGANIZATION DENY THE PETITION

WHEREAS, on or about December 16, 2023, Petitioner Melissa Campbell submitted a petition to the Placer County Committee on School District Organization ("Placer County Committee") to transfer territory currently within the Center Joint Unified School District ("Center") to the Roseville Joint Union High School District and Roseville City School District (the "Petition"); and

WHEREAS, on February 8, 2023 and February 25, 2023, the Placer County Committee and Sacramento County Committee on School District Organization conducted public hearings at which they received presentations from Petitioner, as well as public testimony from residents and organizations from each of the affected territories; and

WHEREAS, the information provided highlighted the shortcomings of the Petition, including, but not limited to:

- 1) Loss of \$78.9 million (\$2023) in current assessed value which represents 2.25% of the Center tax base
- 2) Eventual loss of a projected \$119.5 million in future assessed value once the territory is fully developed
- 3) Removal of 25 students originating from the territory and currently attending Center, generating operational funding under the LCFF
- 4) An increase in General Obligation Bond tax rates which are limited under Prop 39, for Center taxpayers due to loss of assessed value estimated to total \$3.59 per \$100,000 of assessed valuation
- 5) Limitations on future General Obligation Bond issuance plans for the Center Measure N (2008) due to assessed value loss which may impact future school construction plans
- 6) Removal of territory from which attendance to fill future Center school campuses planned for the areas will be lost
- 7) Changes to a still developing area before final road and school facilities plans have been enacted

WHEREAS, owing to these shortcomings, Center desires to publically express its opposition to this current Petition and further requests that the Placer County Committee (and Sacramento County Committee should it become involved) summarily deny the Petition.

NOW THEREFORE, the Governing Board of the Center Joint Unified School District (the "Board") hereby finds, determines, declares, orders and resolves as follows:

Section 1. That all of the recitals set forth above are true and correct, and the Board so finds and determines.

Section 2. That the Board opposes the current Petition as presently constituted.

Section 3. That the Board respectfully requests the County Committees deny the Petition.

Section 4. That the Board reserves its right to make a different determination on any subsequent Petition.

APPROVED, PASSED AND ADOPTED by the Governing Board of the Center Joint Unified School District on the 15th day of March, 2023, by the following vote:

NOES:	<u>0</u>
