S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since budget adoption, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The county office of education must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the California Department of Education (CDE) with an analysis of the cost of the settlement and its impact on the operating budget.

The CDE shall review the analysis relative to the criteria and standards, and may provide written comments to the president of the governing board and the county superintendent of schools.
