

RESOLUTION NO. 2023-24.12

A RESOLUTION OF THE ROSEVILLE CITY SCHOOL DISTRICT IN OPPOSITION TO THE
ASPIRE SOLAIRE TERRITORY TRANSFER PETITION AND FURTHER REQUESTING THE
PLACER AND SACRAMENTO COUNTY COMMITTEES ON SCHOOL DISTRICT
ORGANIZATION DENY THE PETITION

WHEREAS, on or about December 10, 2022, Petitioner Melissa Campbell submitted a petition to the Placer County Committee on School District Organization (Placer County Committee) to transfer territory currently within the Center Unified School District (CJUSD) to the Roseville Joint Union High School District (RJUHSD) and Roseville City School District (RCSD); and

WHEREAS, the information provided demonstrates the shortcomings of the petition, including but not limited to:

- The boundary between CJUSD and RJUHSD was already addressed, along with the developers, in 2019. Further changes could lead to other nearby neighborhoods going through the same petition process rather than waiting for CJUSD to build its new schools.
- CJUSD would lose \$78 million in assessed value, representing 2.27% of the CJUSD tax base.
- Loss of developer fees for purchased homes in Aspire Solaire, which have already been allocated to CJUSD.
- Due to anticipated enrollment projections at Chilton Middle School, students residing in Aspire Solaire may be zoned to attend Eich Middle School, which is farther than their current school attendance zoning of Center High School.
- Increased cost to RCSD transportation of approximately \$50,000 annually as students may be bussed to Eich Middle School. This would also require purchasing an additional bus and training and hiring an additional bus driver.
- Would create confusion among attendance boundaries because the Aspire Solaire zoning would be non-contiguous.

WHEREAS, RCSD desires to publicly express its opposition to the current Petition and further requests that the Placer County Committee and Sacramento County Committee, should they become involved, summarily deny the Petition.

THEREFORE, LET IT BE RESOLVED the Governing Board of the Roseville City School District opposes the current Petition as presently constituted.

BE IT FURTHER RESOLVED, the Governing Board of the Roseville City School District respectfully requests the Placer County Committee and the Sacramento County Committee deny the Petition.

This Resolution No. 2023-24.12 was APPROVED, PASSED, and ADOPTED by the Governing Board of the Roseville City School District on the 27th day of November 2023, by the following vote:
