**WHEREAS**, acknowledging the diverse identities and experiences within the LGBTQIA+ community contributes to the broader goal of equity, inclusion, and belonging in education; and

**WHEREAS**, California state law and Board Policy (BP) 5145.3 and Administrative Rules and Regulations (ARR) 5145.3 prohibit discrimination in SCOE programs and activities based on gender or sexual orientation, among other characteristics, and provide guidelines to help ensure that transgender and gender variant students are afforded the same rights, benefits, and protections provided to all students; and

**WHEREAS**, SCOE and the Board recognize that all employees are valued members of the school community, including our LGBTQIA+ employees and educators; and

**WHEREAS**, SCOE and the Board recognize that all families in our community bring with them a wide range of diversities and life circumstances and we wish to acknowledge and value these diversities; and

**WHEREAS**, our schools are highly diverse and California law requires that instruction in social sciences shall include the early history of California and a study of the role and contributions of our diverse cultures and identities, including the contributions of lesbian, gay, bisexual, and transgender Americans to the economic, political, and social development of California and the United States of America, with particular emphasis on portraying the role of these groups in contemporary society.

**WHEREAS**, SCOE and the Board support initiatives that cultivate diversity, equity, inclusion, and belonging in our schools and educational communities; and

**WHEREAS**, strides have been made to create a greater sense of inclusion and belonging for LGTBQIA+ youth, but there is still work to be done; and

**WHEREAS**, through interagency collaborations, numerous SCOE teams are working collaboratively to cultivate positive and safe educational environments that empower youth to successfully navigate and improve their communities; and
