2021-2022 School Accountability Report Card

(Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

Leo A. Palmiter Jr./Sr. High School provides education to students with disabilities with mental health and behavioral needs. Our program meets the unique educational, behavioral, and mental health needs of our students and offers a range of services that promote a positive learning environment. Students are referred directly from the local school districts of Sacramento County that are unable to provide the more highly structured behavioral support program as well as vocational opportunities. During the 2020-2021 school year, school psychologists provided Educationally Related Mental Health Services (ERMHS). In addition, students were provided a standards-based educational program that was supported by a strong career technical emphasis. The Leo A. Palmiter program is divided into three Linked Learning Pathways: Discovery Academy (pre-vocational skills for grades 7-8), Culinary Arts, and Sustainable Environments Academies (grades 9-12). Each Linked Learning Pathway connects core academics with real-world experience within various fields. Coursework is coordinated with the Career Technical Education (CTE) programs, such as Culinary Arts and Hospitality, Horticulture, and Northern California Construction Training (NCCT).

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

| Authorization/Assignment | School Number | School Percent | District Number | District Percent | State Number | State Percent |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school are sufficient in each of the core curriculum areas:

- Reading/Language Arts
- Mathematics
- Science
- History-Social Science
- Health
- Visual and Performing Arts

Each student is provided the appropriate textbook and instructional material in all of the core areas.

School Facility Conditions and Planned Improvements

Palmiter Jr./Sr. High School meets current building codes for safety. Facilities inspections are ongoing and custodial services are provided to ensure a healthy environment for students and staff. During the Summer of 2012, this school site underwent modernization that included replacement of windows, lighting, flooring, cabinetry, HVAC equipment, paint, signal systems, and updates to meet current Americans with Disabilities Act (ADA) codes. Classrooms and restrooms are adapted and equipped to meet the students' needs. Teachers and classroom staff are provided with supplies that enable them to have a healthy environment. The facilities at Leo A. Palmiter Jr./Sr. High School have met all ongoing inspections and are in good repair.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject | School 2020-21 | School 2021-22 | District 2020-21 | District 2021-22 | State 2020-21 | State 2021-22 |

| English Language Arts/Literacy (grades 3-8 and 11) | N/A | 0 | N/A | 24 | N/A | 47 |
| Mathematics (grades 3-8 and 11) | N/A | 0 | N/A | 17 | N/A | 33 |

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2021-22 Career Technical Education Programs

Transition Services, or the “School-to-World Program”, is a very important thread that runs through the fabric of the Career Technical Education (CTE) program at Leo A. Palmiter's Jr./Sr. High School. Through research-based “best practices”, the school offers functional skills assessment, trainings in self-determination, social skills, and employment skills, as well as connections to the community to help students participate in society to the highest degree possible. Some of the school/business partnerships at the school include:

- California Restaurant Association
- Community Partnerships of Sacramento
- Country Waffles
- Department of Rehabilitation
- Dimple Records
- Deseret Industries
- Dollar Tree Stores
- Eskaton Senior Living Communities
- Goodwill Industries
- Habitat for Humanity
- Hair by Michael Jo
- Johnny Rockets
- Mobile Auto Express
- Nor-Cal Woodturner's Association
- Performance Bicycle
- Sam's Club
- Soil Born Farms
- Subway
- Sacramento Municipal Utilities District (SMUD)
- Sacramento Tree Foundation
- UC Davis Health System
- River Valley Feed Store

2021-22 Career Technical Education (CTE) Participation

| Measure | CTE Program Participation |
|---|---------------------------|
| Number of Pupils Participating in CTE | 25 |
| Percent of Pupils that Complete a CTE Program and Earn a High School Diploma | |
| Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education | |

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

| UC/CSU Course Measure | Percent |
|---|---------|
| 2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission | 0.00 |
| 2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission | 0.00 |

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

| Grade 7 | -- | -- | -- | -- | -- |
| Grade 9 | -- | -- | -- | -- | -- |

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

As partners in the educational process, parents and guardians play an important role in the education of their student. With their support, students' educational, social, and emotional growth will be optimized. Parent support is delivered in many different ways. Various opportunities for parental and guardian involvement, including the Individualized Education Program (IEP), are available. Each student's education plan is reviewed annually or more often if needed. Parents and guardians are encouraged and invited to attend special events such as Back-to-School Night, Open House, and other academy events such as the monthly opening of our student-run restaurant. School Site Council, Safety Committees, Curriculum Adoption, and Local Control and Accountability Plan (LCAP) meetings are additional opportunities for parents and guardians to have positive input in their child's education.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

| Subject | School 2019-20 | District 2019-20 | State 2019-20 |
|--------------------|-------------------|---------------------|------------------|
| Suspensions | 57.65 | 6.24 | 2.45 |
| Expulsions | 0.00 | 0.00 | 0.05 |

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

| Subject | School 2020-21 | School 2021-22 | District 2020-21 | District 2021-22 | State 2020-21 | State 2021-22 |

2022-23 School Safety Plan

A comprehensive school safety plan is in place at Palmiter Jr./Sr. High School. The elements of the plan include Fire Emergency Procedures, Lockdown Procedures, Emergency Contact Protocol, and Earthquake Emergency Procedures. School-wide and classroom expectations are taught and reinforced through a Positive Interventions and Supports (PBIS). Students are supported with behavior interventions, mentoring, and group counseling depending on their level of need through the school's Multi-Tiered System of Supports (MTSS).

All classes adhere to the safety plan; staff and students review safety procedures quarterly. A School Resource Officer (SRO) is on-site at the Palmiter school campus and interacts with students and staff, providing instruction in safety and emergency situations. A School Safety Committee meets on a regular basis to review safety procedures at Palmiter Jr./Sr. High School. Parents are informed of the campus Safety Plan through a quarterly newsletter.

2021-22 Types of Services Funded

The Special Education Department SCOE offers special education services to students with significant and complex disabilities. These students' needs have been identified in an Individualized Education Program (IEP) plan developed by a school district or the county office of education program team. There are classrooms located throughout the county and located on general education campuses. SCOE works closely with the districts to provide students with age appropriate campuses that give them opportunities to interact with their peers.

Professional Development

Staff development opportunities are provided throughout the year with staff meetings, and school-based trainings. Staff training opportunities have been offered in the areas of reading comprehension, civic education, Social Emotional Learning (SEL), trauma informed care, and the integration of technology and visual arts in the curriculum. Workshops in the area of positive behavior interventions and supports are developed to assist the instructional staff with evaluating and improving the classroom and school-wide systems. Additionally, teacher requests for professional growth workshops are approved by administration.
