

PETITION FOR TRANSFER OF TERRITORY

To the Superintendents of Schools of Placer and Sacramento Counties

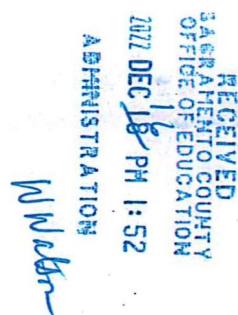

Pursuant to *Education Code Section 35700*, subdivision (a), the undersigned, constituting at least 25 percent of the registered electors residing in the territory proposed to be transferred, now within the boundaries of the Center Joint Unified School District, Sacramento County, petition that the boundaries of the Center Joint Unified School District be changed to eliminate from it the territory hereinafter described. The undersigned persons petition that the territory be transferred to and included within the Roseville City School District and Roseville Joint Union High School District of Placer County.

The property to be transferred is described as follows:

The Aspire Solaire neighborhood located in the Westpark area of Roseville, CA 95747. It is bordered by Daylight Drive, Solaire Drive, Santucci Blvd and Pleasant Grove Blvd in Roseville, CA within Placer County.

The undersigned request the changes in the respective boundaries of the school districts for a variety of reasons including the following:

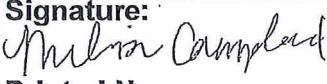

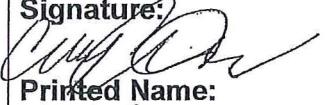

- To be included within the Substantial Community Identity that is established within our area of Solaire and Westpark. As the boundaries stand, our neighborhood is isolated from the community we "identify" with. All surrounding neighborhoods, with the exception of our singular neighborhood, are within the Roseville City School District and Roseville Joint Union High School District.
- To promote geographic compactness. For example, Westbrook Elementary School is under construction a block from the Aspire neighborhood and can be visualized from Aspire yet our children are unable to attend and instead are expected to endure an unreasonable, prolonged commute to school.
- It is in the best interest of the student population within our neighborhood.
