ACTION REQUESTED:

The superintendent is recommending that the board hold a second public hearing regarding the potential composition of trustee areas prior to the drawing of maps, and adopt a resolution clarifying the criteria the demographer will consider when preparing draft maps.

RATIONALE/BACKGROUND:

On March 10, 2020, the board adopted Resolution No. 2982, declaring its intent to transition from at-large to by-trustee area board elections, where each board member must reside within the designated trustee-area boundary, and is elected only by the voters in that trustee area. On March 31, 2020, the district's demographer presented information on the process and potential criteria for drawing the trustee-area boundary maps. At the April 14, 2020, meeting, the superintendent pulled the presentation and the second of two statutorily required hearings to evaluate the Governor's Executive Order N-48-20, signed April 9, 2020, and the effect it would have on the district's transition process. At the April 28, 2020, meeting, the board adopted Resolution No. 2991, declaring an intent to temporarily postpone hearings related to the board's transition to by-trustee area elections until such time as neither state nor local public health officials recommend or impose social distancing measures due to the COVID19 pandemic. On June 11, 2021, the Governor executed Executive Order N-08-21, which stated "The following provisions [which include [Executive Order N-48-20](#)] shall remain in place and shall have full force and effect through June 30, 2021, upon which time they will expire subject to individual conditions described in the enumerated paragraphs."

The district's demographer will present information on the process and potential criteria for drawing the trustee-area boundary maps. Following the presentation, the board will hold the second of two statutorily required hearings to receive input from the community on the trustee-area map creation process and elections sequence, pursuant to Elections Code section 10010(a)(1).

Not applicable.

B. Proposed Negotiated Changes in other compensation and non-compensation Items (i.e., class size adjustments, staff development days, teacher prep time, classified staffing ratios, etc.).

San Juan Professional Educators Coalition (SJPEC) - Article 9.6 -District agrees to provide the following minimal staffing out of base funding. 3. Middle Schools b. Vice Principal(s) ii. 2.0 FTE per school with an enrollment of 1000

C. What are the specific impacts (positive or negative) on instructional and support programs to accommodate the settlement? Include the impact of changes such as staff reductions or increases, program reductions or increases, elimination or expansion of other services or programs (i.e., counselors, librarians, custodial staff, etc.)

The on-going salary increase helps SJUSD with employee recruitment. As much as possible, program budgets will absorb cost increases. Unappropriated fund balance is the source of funding to accommodate the settlements until additional solutions are identified and approved.

The impact of the one-time additional payment is to compensate employees for the additional time and effort they have incurred in the transition to distance learning and then back to a hybrid model for in-person learning and then again changing up the learning model for in-person learning due to COVID-19 and the various stages of instruction in compliance with State requirements . There will be no financial impact on the different programs as one-time funds are being used to pay for this one-time expense.

D. What contingency language is included in the proposed agreement (e.g., reopeners, etc.)?

CONTINGENCY LANGUAGE:

There was no contingency language in any of the agreements.

E. Will this agreement create or decrease deficit financing in the current or subsequent year(s)? "Deficit Financing" is defined to exist when a fund's expenditures and other financing uses exceed its revenues and other financing sources in a given year. If yes, explain the amounts and justification for doing so.

General Fund: *The agreements do not affect spending or create deficit financing in the current year because the payments to employees do not occur until July 1, 2021. Deficit financing in unrestricted is expected to be created from the on-going salary adjustment from the agreements in the 2021-2022 fiscal year. Deficit financing is not expected to be created from the one-time additional payment agreements in the 2021-2022 fiscal year. One-time funds are being used to pay for the one-time payments. In FY 2022-2023, deficit spending is decreased due to the reversal of one-time expenses. Fund balance is projected to be used until further budget solutions are identified and approved.*

All Other Funds: *Deficit financing will increase in the 2021-2022 fiscal year from the agreements. Fund balance is projected to be used until further budget solutions are identified and approved.*

F. Identify other major provisions that do not directly affect the district's costs, such as binding arbitrations, grievance procedures, etc.

None known at this time.

G. Source of Funding for Proposed Agreement

1. Current Year

The proposed agreements have no effect on the current year.

2. If this is a single year agreement, how will the ongoing cost of the proposed agreement be funded in subsequent years (i.e., what will allow the district to afford this contract)?

The source of funding for the proposed agreements is one-time restricted revenues for the one-time payments. On-going costs will require the reduction of fund balance or other program costs.

3. If this is a multiyear agreement, what is the source of funding, including assumptions used, to fund these obligations in subsequent years? (Remember to include compounding effects in meeting obligations.)

This is a multi-year agreement with a single-year, one-time off schedule payment along with an on-going increase to base salaries, stipends and hourly rates. The sources of funding the one-time payments are one-time restricted revenues. The sources of funding for the multi-year agreements are LCFF, program revenues, and the unappropriated fund balance until additional solutions are identified and approved.

MEMORANDUM OF UNDERSTANDING (MOU)
BETWEEN THE
SAN JUAN UNIFIED SCHOOL DISTRICT (District)
AND
TEAMSTERS LOCAL #150 (Teamsters)

ADDITIONAL SUPPORT FROM VENDORS TO PROVIDE ROUTE ASSISTANCE

Background:

There is a national shortage of school bus drivers and correspondingly the District has been experiencing similar significant shortages of school bus drivers. The District has also been unsuccessful in filling vacant school bus driver trainer positions.

Intent:

It is the intent of this MOU for the District to contract with outside vendors to provide routing support to augment the District's current home-to-school bus service obligations, which cannot be covered by District school bus drivers due to the national shortage. The District and the Teamsters agree that this relationship will be entered into to supplement, not supplant, the work of current District school bus drivers. This agreement shall not be considered a violation of Article 15.4 or any other Article of the current Collective Bargaining Contract between the District and Chauffeurs, Teamsters and Helpers, Local #150.

Agreement:

1. The Teamsters and the District agree that the District will contract with outside vendors to provide school bus route support to the District.
2. The Teamsters and District agree that this agreement shall be subject to the grievance procedure as outlined in Article 4.
3. The Teamsters and District agree that outside vendors cannot displace current employees.
4. The District agrees that current employees' schedules will not be reduced as a result of supplementary services agreements.
5. The Teamsters and District agree that outside vendors cannot be assigned to a bus route maintained at eight (8) hours per day pursuant to Article 5.2. In addition, if the hiring of outside vendors results in an increase in the total number of bus routes, there will be a proportionate increase in the number of Teamster employees entitled to an assignment of eight (8) hours per day pursuant to Article 5.2.
6. The Teamsters and District agree that outside vendors will not be assigned to noon routes. Noon routes are considered bus runs which are routed during the mid-day, between normal bell times and will not include routes which can be performed at times when District drivers are available.
7. The District agrees to provide to the Teamsters bi-annual written reports on matters related to this MOU, such as the District's hiring efforts, the number of outside vendors hired, the hours of work each vendor performs, the number of drivers trained and the most affected routes and or days. Upon review the Teamsters may provide a written response and request a meet and confer related to specific issues generated by their response to the report.

Length of Agreement:

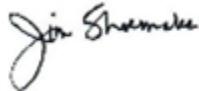

The Teamsters and the District agree that this MOU will remain in effect through June 30, 2024.
~~In the event that sufficient bus drivers have not been hired by June 30, 2021, this MOU~~

~~may be extended until June 30, 2022, upon the mutual agreement of both parties.~~ Absent an agreement to extend the terms of this MOU it sunsets on June 30, 2024.

The District and Teamsters also agree that by contracting out for bus drivers on an interim basis, it is not to be construed as a practice of both parties.

Bargaining Unit Positional Retention:

During the length of this MOU, the District will continue to faithfully attempt to hire and fill vacant school bus driver positions.

9. What was the negotiated salary percentage increase approved? For example, if the increase in "Year 1" was for less than a full year, what is the annualized percentage of that increase for "Year 1"?

On-going

San Juan Supervisors Association (SJSA) - Article 5 - Salary -Base salaries shall be increased by a total of 3.55% effective July 1, 2021.

Teamsters Local No. 150 - Article 6- Salaries - Base salaries and the shift differential (Article 6.1.2) shall be increased by a total of 3.55% effective July 1, 2021

San Juan Professional Educators Coalition (SJPEC) - Article 12 - Salary - Base salaries and stipends included in contract shall be increased by a total of 3.55% effective July 1, 2021

One-time off schedule payment

SJSA - For continuing members employed as of July 1, 2021, the district shall provide a one-time off schedule payment equal to 3.5 % of each member's base salary as of July 1, 2021. This one-time off schedule payment will be paid no later than August 20, 2021. This one-time off schedule payment will not increase a members base compensation for the 2021-2022 school year.

Teamsters Local No. 150 - For continuing members employed as of July 1, 2021 the district shall provide a one-time off schedule payment equal to 3.5% of each member's annual base salary as of July 1, 2021.

This one-time off schedule payment will be paid no later than August 20, 2021. This one-time off schedule payment will not increase a member's base compensation for the 2021-2022 school year.

San Juan Professional Educators Coalition (SJPEC) - For continuing members employed as of July 1, 2021 the district shall provide a one-time off schedule payment equal to 3.5% of each members base salary (Appendix E) and stipends included in contract as of July 1, 2021. This one-time off schedule payment will be paid no later than August 20, 2021. This one-time off schedule payment will not increase a member's base compensation for the 2021-2022 school year.

10. Were any additional steps, columns, or range added to the schedules? (If yes, please explain.)

San Juan Professional Educators Coalition (SJPEC) - Effective July 1, 2021 the parties agree to increase the annual stipend for K-8 Principals. Using the continuing education column, the stipend shall be equal to the mean average of the annual elementary school principal salary and annual middle school principal salary less the annual elementary school principal salary.

San Juan Professional Educators Coalition (SJPEC) - Article 12.6 Leadership Stipends (new)

The parties agree that for the 2021-2022 school year the district will hire SJPEC members to serve in leadership roles supporting the Division of Teaching and Learning. The District and the Coalition agree to establish a Leadership Stipends Joint Committee no later than July 30, 2021. The purpose of the joint committee is to mutually develop the purpose, scope, expectations, interview process, and stipend amounts for these newly created positions.

- 11 . Please include comments and explanations as necessary. (If more room is necessary, please attach an additional sheet.)

12. Does this bargaining unit have a negotiated cap for Health & Welfare benefits?

Yes No

If yes, please describe the cap amount.

Not applicable.

B. Proposed Negotiated Changes in other compensation and non-compensation Items (i.e., class size adjustments, staff development days, teacher prep time, classified staffing ratios, etc.).

San Juan Professional Educators Coalition (SJPEC) - Article 9.6 -District agrees to provide the following minimal staffing out of base funding. 3. Middle Schools b. Vice Principal(s) ii. 2.0 FTE per school with an enrollment of 1000

C. What are the specific impacts (positive or negative) on instructional and support programs to accommodate the settlement? Include the impact of changes such as staff reductions or increases, program reductions or increases, elimination or expansion of other services or programs (i.e., counselors, librarians, custodial staff, etc.)

The on-going salary increase helps SJUSD with employee recruitment. As much as possible, program budgets will absorb cost increases. Unappropriated fund balance is the source of funding to accommodate the settlements until additional solutions are identified and approved.

The impact of the one-time additional payment is to compensate employees for the additional time and effort they have incurred in the transition to distance learning and then back to a hybrid model for in-person learning and then again changing up the learning model for in-person learning due to COVID-19 and the various stages of instruction in compliance with State requirements . There will be no financial impact on the different programs as one-time funds are being used to pay for this one-time expense.

D. What contingency language is included in the proposed agreement (e.g., reopeners, etc.)?

CONTINGENCY LANGUAGE:

There was no contingency language in any of the agreements.

E. Will this agreement create or decrease deficit financing in the current or subsequent year(s)? "Deficit Financing" is defined to exist when a fund's expenditures and other financing uses exceed its revenues and other financing sources in a given year. If yes, explain the amounts and justification for doing so.

General Fund: *The agreements do not affect spending or create deficit financing in the current year because the payments to employees do not occur until July 1, 2021. Deficit financing in unrestricted is expected to be created from the on-going salary adjustment from the agreements in the 2021-2022 fiscal year. Deficit financing is not expected to be created from the one-time additional payment agreements in the 2021-2022 fiscal year. One-time funds are being used to pay for the one-time payments. In FY 2022-2023, deficit spending is decreased due to the reversal of one-time expenses. Fund balance is projected to be used until further budget solutions are identified and approved.*

All Other Funds: *Deficit financing will increase in the 2021-2022 fiscal year from the agreements. Fund balance is projected to be used until further budget solutions are identified and approved.*

F. Identify other major provisions that do not directly affect the district's costs, such as binding arbitrations, grievance procedures, etc.

None known at this time.

G. Source of Funding for Proposed Agreement

1. Current Year

The proposed agreements have no effect on the current year.

2. If this is a single year agreement, how will the ongoing cost of the proposed agreement be funded in subsequent years (i.e., what will allow the district to afford this contract)?

The source of funding for the proposed agreements is one-time restricted revenues for the one-time payments. On-going costs will require the reduction of fund balance or other program costs.

3. If this is a multiyear agreement, what is the source of funding, including assumptions used, to fund these obligations in subsequent years? (Remember to include compounding effects in meeting obligations.)

This is a multi-year agreement with a single-year, one-time off schedule payment along with an on-going increase to base salaries, stipends and hourly rates. The sources of funding the one-time payments are one-time restricted revenues. The sources of funding for the multi-year agreements are LCFF, program revenues, and the unappropriated fund balance until additional solutions are identified and approved.

One-time off schedule payment

SJSA - For continuing members employed as of July 1, 2021, the district shall provide a one-time off schedule payment equal to 3.5 % of each member's base salary as of July 1, 2021. This one-time off schedule payment will be paid no later than August 20, 2021. This one-time off schedule payment will not increase a members base compensation for the 2021-2022 school year.

Teamsters Local No. 150 - For continuing members employed as of July 1, 2021 the district shall provide a one-time off schedule payment equal to 3.5% of each member's annual base salary as of July 1, 2021.

This one-time off schedule payment will be paid no later than August 20, 2021. This one-time off schedule payment will not increase a member's base compensation for the 2021-2022 school year.

San Juan Professional Educators Coalition (SJPEC) - For continuing members employed as of July 1, 2021 the district shall provide a one-time off schedule payment equal to 3.5% of each members base salary (Appendix E) and stipends included in contract as of July 1, 2021. The purpose of the joint committee is to mutually develop the purpose, scope, expectations, interview process, and stipend amounts for these newly created positions.

- 11 . Please include comments and explanations as necessary. (If more room is necessary, please attach an additional sheet.)

12. Does this bargaining unit have a negotiated cap for Health & Welfare benefits?

Yes No

If yes, please describe the cap amount.

Not applicable.

B. Proposed Negotiated Changes in other compensation and non-compensation Items (i.e., class size adjustments, staff development days, teacher prep time, classified staffing ratios, etc.).

San Juan Professional Educators Coalition (SJPEC) - Article 9.6 -District agrees to provide the following minimal staffing out of base funding. 3. Middle Schools b. Vice Principal(s) ii. 2.0 FTE per school with an enrollment of 1000

C. What are the specific impacts (positive or negative) on instructional and support programs to accommodate the settlement? Include the impact of changes such as staff reductions or increases, program reductions or increases, elimination or expansion of other services or programs (i.e., counselors, librarians, custodial staff, etc.)

The on-going salary increase helps SJUSD with employee recruitment. As much as possible, program budgets will absorb cost increases. Unappropriated fund balance is the source of funding to accommodate the settlements until additional solutions are identified and approved.

The impact of the one-time additional payment is to compensate employees for the additional time and effort they have incurred in the transition to distance learning and then back to a hybrid model for in-person learning and then again changing up the learning model for in-person learning due to COVID-19 and the various stages of instruction in compliance with State requirements . There will be no financial impact on the different programs as one-time funds are being used to pay for this one-time expense.

D. What contingency language is included in the proposed agreement (e.g., reopeners, etc.)?

CONTINGENCY LANGUAGE:

There was no contingency language in any of the agreements.

E. Will this agreement create or decrease deficit financing in the current or subsequent year(s)? "Deficit Financing" is defined to exist when a fund's expenditures and other financing uses exceed its revenues and other financing sources in a given year. If yes, explain the amounts and justification for doing so.

General Fund: *The agreements do not affect spending or create deficit financing in the current year because the payments to employees do not occur until July 1, 2021. Deficit financing in unrestricted is expected to be created from the on-going salary adjustment from the agreements in the 2021-2022 fiscal year. Deficit financing is not expected to be created from the one-time additional payment agreements in the 2021-2022 fiscal year. One-time funds are being used to pay for the one-time payments. In FY 2022-2023, deficit spending is decreased due to the reversal of one-time expenses. Fund balance is projected to be used until further budget solutions are identified and approved.*

All Other Funds: *Deficit financing will increase in the 2021-2022 fiscal year from the agreements. Fund balance is projected to be used until further budget solutions are identified and approved.*

F. Identify other major provisions that do not directly affect the district's costs, such as binding arbitrations, grievance procedures, etc.

None known at this time.

G. Source of Funding for Proposed Agreement

1. Current Year

The proposed agreements have no effect on the current year.

2. If this is a single year agreement, how will the ongoing cost of the proposed agreement be funded in subsequent years (i.e., what will allow the district to afford this contract)?

The source of funding for the proposed agreements is one-time restricted revenues for the one-time payments. On-going costs will require the reduction of fund balance or other program costs.

3. If this is a multiyear agreement, what is the source of funding, including assumptions used, to fund these obligations in subsequent years? (Remember to include compounding effects in meeting obligations.)

This is a multi-year agreement with a single-year, one-time off schedule payment along with an on-going increase to base salaries, stipends and hourly rates. The sources of funding the one-time payments are one-time restricted revenues. The sources of funding for the multi-year agreements are LCFF, program revenues, and the unappropriated fund balance until additional solutions are identified and approved.
