**DATE:** April 14, 2022

**TO:** Board of Directors

**SUBJECT:** Dissolution Agreement for the California Fire and Rescue Training Authority (CFRTA)

## TOPIC

Approval of the Dissolution Agreement for the California Fire and Rescue Training Authority (CFRTA).

## DISCUSSION

On December 1, 1997, the American River Fire Protection District (AFRPD), the City of Sacramento for the Sacramento Fire Department, the Sacramento County Fire Protection District and the California Governor's Office of Emergency Services entered into a Joint Powers Agreement forming the McClellan Regional Fire and Rescue Training Authority.

On March 3, 2003 the Sacramento Metropolitan Fire District (SMFD) as successor to the Sacramento County Fire Protection District and AFRPD entered into a Second Amendment which renamed the Joint Powers Authority to the California Fire and Rescue Training Authority (CFRTA), and made other amendments relating to the JPA Council, the Training Facility Manager, Insurance and Budget Issues.

Currently, the operational budget of the CFRTA is based upon contributions paid by the members as follows: SMFD 30%, City of Sacramento 30%, and Cal OES 40%.

On March 26, 2021, Cal OES provided a notice of intent to withdraw as a member agency of the JPA. On June 28, 2021, SMFD provided notice of intent to withdraw from the JPA. Under the terms of the JPA agreement, withdrawal by two members constitutes a dissolution of the JPA as of the end of the fiscal year, June 30, 2022.

The JPA has retained special counsel to assist and advise regarding the dissolution. Counsel has advised a dissolution agreement be entered into between the members which would control the distribution of assets and liabilities of the JPA to the members, as well as control the wind up of the financial affairs of the JPA. On March 16, 2022, the CFRTA governing council approved the dissolution subject to final approval of the Legislative Boards of the members. At this juncture, counsel for the JPA along with attorneys for the members have prepared a dissolution agreement, providing for the distribution of all assets and liabilities of the CFRTA according to the requirements of the JPA agreement described above, and to appoint a dissolving member for the purposes of winding up any remaining affairs after June 30, 2022. Before the Board is the request to approve the final dissolution agreement, a copy of which is attached.

The dissolution agreement before the Board provides for the following material provisions:

1. Appointment of Cal OES Fire Chief as the dissolving member to pay debts, liabilities, costs, and expenses of the JPA after the end of the fiscal year and termination of the JPA. It also requires the dissolving member to administer reserve funds to pay debts and liabilities, provide a final accounting report, and serve as Custodian of Records of CFRTA after dissolution.
2. Distribute remaining assets to the CFRTA members in proportion to their member contributions as specified in the JPA agreements identified above.
3. Provide for the termination of the ground lease agreement between CRFTA and SMFD.
4. Provide for the return of tangible property to members who contributed the property for use by the JPA.

#### FISCAL CONSIDERATIONS

A final audit of the JPA will be completed no later than December 31, 2022. At this point there are no concrete projections as to the total amount of the distribution of remaining assets, or whether any further financial confirmations will be required from the CFRTA members to pay any remaining or outstanding liabilities, obligations, or debts.

#### RECOMMENDATION

The agreement has been reviewed and approved by General Counsel. This agreement provides for distribution of assets and liabilities according to the terms of the JPA agreements. Further, after the JPA ceases operations at the end of the current fiscal year, it is necessary that contractual procedures be in place to wind up the finances of the JPA, distribute assets and liabilities, and prepare and deliver a final audit report to the member agencies. Staff recommends that the Board approve the agreement, and authorize the Board President to execute the agreement.

This Dissolution Agreement (“Agreement”) is entered into on this \_\_\_\_\_ day of \_\_\_\_\_, 2022 by and among Sacramento Metropolitan Fire District, the City of Sacramento for the Sacramento Fire Department, and the California Governor’s Office of Emergency Services.

**RECITALS**

**WHEREAS**, on December 1, 1997, the American River Fire Protection District (“ARFPD”), the City of Sacramento for the Sacramento Fire Department (“SFD”), the Sacramento County Fire Protection District (“SCFPD”), and the California Governor’s Office of Emergency Services (“Cal OES”) entered into a Joint Powers Agreement forming the McClellan Regional Fire and Rescue Training Authority, a joint powers authority organized pursuant to Government Code Sections 6500 et. seq. (the “JPA Agreement”); and

**WHEREAS**, on March 3, 2003, Sacramento Metropolitan Fire District (“SMFD” formerly ARFPD and successor to SCFPD), SFD, and Cal OES (collectively hereinafter referred to as “Members”) entered into a Second Amendment to Joint Powers Agreement wherein the McClellan Regional Fire and Rescue Training Authority was reconstituted and renamed the California Fire and Rescue Training Authority (the “Authority”); and

**WHEREAS**, on March 26, 2021, CalOES provided notice of its intent to withdraw as a member agency of the Authority; and

**WHEREAS**, on June 28, 2021, SMFD provided notice of intent to withdraw from the Authority; and

**WHEREAS**, pursuant to Section 11(b) of the JPA Agreement withdrawal by all but one of the member agencies of the authority shall constitute a dissolution of the Authority as of the end of the fiscal year; and

**WHEREAS**, the Members of the Authority now desire to provide for the distribution of all assets and liabilities of the Authority and provide for the appointment of a dissolving member for purposes of winding up any remaining affairs of the Authority after June 30, 2022.

**NOW, THEREFORE**, in consideration of the foregoing the Members agree as follows:

**AGREEMENT**

1. **Incorporation of Recitals**. The recitals set forth above are true and correct and hereby incorporated herein by reference.
2. **Dissolution of the Authority**. Pursuant to Section 11(b) of the JPA Agreement the Members agree that the Authority shall cease all operations on June 30, 2022 (the “Closing Date”).

3. **Appointment of Cal OES as Dissolving Member.** The Members agree to appoint Cal OES as the sole “Dissolving Member” of the Authority for purposes of winding up the affairs of the Authority following the Closing Date. Cal OES Fire Chief Brian Marshall, or his designee, may make decisions as the Dissolving Member for purposes of this Agreement. The Dissolving Member is authorized to:
  - (a) pay all known debts and liabilities and the costs and expenses of winding up and dissolution;
  - (b) administer Retained Funds, as such term is defined herein, to pay any remaining and final debts and liabilities of the Authority (e.g., audit costs, professional service fees);
  - (c) arrange for the preparation of a final audit report, showing cumulative collections, disbursements and distributions, which will be submitted upon completion of the dissolution to all member agencies. The final audit report shall be completed as soon as reasonably practicable, but no later than December 31, 2022;
  - (d) serve as the custodian of records of the Authority; and
  - (e) perform any and all other actions which the Dissolving Member determines, in its reasonable discretion, are necessary or appropriate to wind up the affairs of the Authority and complete the dissolution process.
4. **Retained Funds.** Prior to the Closing Date, the Authority will allocate up to fifty thousand dollars (\$50,000) as determined by the Council no later than the June 2022 Council meeting based on the then existing financial records (“Retained Funds”) to the Dissolving Member to perform the duties identified in Section 3 above. The Retained Funds shall be allocated from Authority general funds, and not from funds designated as Mobex or US&R funds.
5. **Distribution of Assets.** The Members hereby agree that the remaining Assets of the Authority shall be distributed among Members in accordance with Section 12 (b) of the JPA Agreement as more particularly specified on Exhibit “A” to this Agreement.
6. **Lease Agreement.** The Authority entered into a Ground Lease (“Lease”) of real property situated in the City of Rancho Cordova on December 19, 2011, for a term of 55 years. The Members agree to terminate the Lease on terms and conditions consistent with the Lease and acceptable to the Authority’s Governing Council prior to the Closing Date, and to take any actions necessary to effectuate the final termination of the Lease.
7. **Insufficient Funds.** In the event there are insufficient Authority funds to pay any remaining or outstanding Authority liabilities, obligations or debts, the Members agree to contribute funds in proportion to their Member contributions, as specified in Section 8(c) of the JPA Agreement (SMFD 30%, SFD 30%, CalOES 40%), to pay off said liabilities, obligations, or debts.
8. **Distribution of Surplus Funds.** Upon and after the discharge of all Authority debts, liabilities and obligations, any remaining Authority funds, other than Retained Funds, Mobex funds, and US&R funds, shall be distributed in proportion to the contribution of each member agency as specified in Section 8(c) of the JPA Agreement; however, in the event the remaining Authority funds exceed

\$150,000 the parties will meet and determine the distribution of the funds in excess of \$150,000. Any remaining US&R and Mobex funds not utilized by Cal OES and/or not paid to counties participating in Mobex training shall be returned to Cal OES.

9. **Dissolution Date.** Upon the completion of the winding up of Authority affairs contemplated in Section 3 of this Agreement and following written notice of completion from the Dissolving Member to all Members, the Authority shall be dissolved, and the JPA Agreement shall be terminated and have no further force or effect.
10. **Further Acts and Assurances.** The Members shall execute, acknowledge, and deliver any and all additional documents, and other assurances, and shall perform any and all acts reasonably necessary, in connection with the performance of the obligations under this Agreement to carry out the intent of the Members.
11. **Counterparts.** This Agreement may be executed in multiple counterparts and any party hereto may execute any such counterpart, each of which when executed and delivered shall be deemed to be an original and all which counterparts taken together shall constitute one and the same instrument.
12. **Dispute Resolution.** The Members shall make reasonable efforts to settle all disputes arising out of or in connection with this Agreement. Before exercising any remedy provided by law, the Members shall engage in nonbinding mediation in the manner agreed to by the parties. In the event that nonbinding mediation is not initiated or does not result in settlement of a dispute within sixty (60) days after the demand for mediation is made, any Member may pursue any remedies provided by law.
13. **Applicable Law.** This Agreement shall be construed in accordance with and governed by the laws of the State of California.
14. **Amendments.** This Agreement may be amended at any time by mutual agreement of the Members provided that before any amendment shall take effect, it shall be reduced to writing and signed by both parties.
15. **Severability.** The Members understand and agree that should any part or parts of this Agreement be deemed invalid as a matter of law or policy, such part or parts are severable and the remainder of the Agreement shall remain in force and effect.

**IN WITNESS WHEREOF**, the Members have executed this Agreement as of the date first written above.
