Re: Proposal to County Committee on School District Organization

Dear Ms. Stinson:

I am writing today on behalf of the Galt Joint Union Elementary School District (“District”) to respectfully submit the District Board of Education’s proposal to adopt by-trustee area elections for approval by the Sacramento County Committee on School District Organization (“County Committee”).

The Board is currently elected under a “at-large” election system, where trustees reside in designated trustee areas, and are elected by voters of the entire District. Upon consideration of the California Voting Rights Act (“CVRA”), on February 9, 2022, the Board adopted Resolution No. 8, Intention to Transition Governing Board Elections From At-Large to By-Trustee Area Elections with the 2022 Governing Board Election. (Exhibit A – February 9, 2022 Agenda and Resolution No. 8)

As provided in Resolution No. 8, the Board intended to transition from at-large to by-trustee area elections pursuant to Elections Code section 10010(e)(3)(A).

On February 23, 2022 and March 9, 2022 Board meetings, the Board held public input sessions. On March 23, 2022, April, 27, 2022, and May 10, 2022 Board meetings, the Board held public study sessions to discuss draft maps. (Exhibit B – Agendas for February 23, 2022, March 9, 2022, March 23, 2022, and April, 27, 2022)

Also, on May 10, 2022, after the five public hearings on the proposed transition, the Board adopted Agenda Item No. 212.307, Resolution No. 15, initiating the following proposal to the County Committee for approval (Exhibit C – May 10, 2022 Agenda and Resolution No. 15 which incorporates Map B attached as Exhibit A to Resolution No. 15.):

- I. The District Board of Education will transition to by-trustee area elections, implementing the trustee area boundaries identified in the map previously designated as Map No. 2 (Exhibit D).
2. The District Board of Education elections will be sequenced according to the following schedule:

Lois Yount, District Superintendent ~ Nicole Lorenz, Chief Business Officer
Claudia Del Toro-Anguiano, Curriculum Director ~ Donna Mayo-Whitlock, Educational Services Director

Teresa Stinson

5/12/22

- a. Trustee areas 1, 2, and 5 scheduled for election in 2022; and
- b. Trustee areas 3 and 4 scheduled for election in 2024.

As indicated in the Resolution, in initiating this proposal, the Board took all necessary steps to comply with the appropriate procedures and policies of law and conducted extensive public outreach (see Exhibit D).

Education Code sections 5019 and 5030 authorize the County Committee to approve the Board's proposed change from at-large to by-trustee area elections. When such a proposal is made, the County Committee shall call and conduct at least one public hearing within the district making the proposal on the matter, and at the conclusion of the hearing, shall approve or disapprove the proposal. (Ed. Code, § 5019, subd. (c)(2).)

In preparation for the County Committee meeting, I would like to present this District's proposal to adopt by-trustee area elections. As part of this proposal, please find the following documents enclosed with this letter:

- Agenda Item 212.307, Resolution No. 15, Resolution Initiating a Proposal to the Sacramento County Committee on School District Organization for the Adoption of By-Trustee Area Elections (see Exhibit C);
- The trustee area map selected by the Board at the May 10, 2022, Board Meeting (see Exhibit C);
- The election sequencing schedule selected by the Board at the May 10, 2022 Board Meeting (see Exhibit C);
- A packet detailing the District's community outreach efforts during the hearing process (see Exhibit D).

Please let me know if you or the County Committee needs any additional information, or if you would like to set up a time to discuss the District's proposal further. We look forward to Working with you as the District completes this process.

Sincerely,

Lois Yount, Superintendent

**GALT JOINT UNION ELEMENTARY SCHOOL DISTRICT
INTENTION TO TRANSITION GOVERNING BOARD ELECTIONS
FROM AT-LARGE TO BY-TRUSTEE AREA ELECTIONS**

RESOLUTION NO. 8

WHEREAS, the Galt Joint Union Elementary School District ("District") is governed by a five member Board of Education ("Board");

WHEREAS, members of the Board are elected "at large," in which each member of the Board is elected by the registered voters of the entire District;

WHEREAS, upon application to the Sacramento County Committee on School District Organization, the election of Board members may be transitioned from "at large" to "by-trustee area" elections;

WHEREAS, the California Voting Rights Act (Elec. Code, §§ 14025 et seq.) ("CVRA") prohibits the use of "at large" elections where their use impairs the ability of a protected class to elect candidates of its choice, or its ability to influence the outcome of elections;

WHEREAS, over the past several years, many school districts have received letters threatening litigation if they do not change their method of election from at-large to by-trustee area, alleging that elections for its governing board members violate the CVRA and threatening litigation if the school district did not take action to change the method for electing board members;

WHEREAS, the District has not yet received such a letter, however, the Board recognizes that many school districts and other local agencies are considering changing their elections in light of the CVRA and the threat of litigation;

WHEREAS, the CVRA allows a plaintiff to file suit over violation of the CVRA and recover his or her attorneys' fees, if successful;

WHEREAS, to date, no local agency has successfully defended against a CVRA challenge;

WHEREAS, the District will retain SchoolWorks, Inc., an experienced demographer, located at 8331 Sierra College Blvd, 221, Roseville, CA 95661, Phone: 916-733-0402, www.SchoolWorksGIS.com, to work with its legal counsel and staff to develop proposed trustee area boundaries; and

WHEREAS, the transition to by-trustee area elections will not affect the terms of any Board members.

NOW THEREFORE, the Board of Education of the District hereby resolves, determines, and finds the following:

Section 1. That the foregoing recitals are true.

Section 2. This Resolution indicates the Board's intention to transition from at-large to by-trustee area elections pursuant to Elections Code section 10010, subd. (e)(3)(A).

Section 3. The Board seeks public input on the trustee area boundaries and will employ the following steps and estimated timeline to facilitate this transition:

- | | |
|-----------------|--|
| Spring 2022: | Pre-Map Public Hearings |
| Fall 2022: | Develop Trustee Area Maps with Public Input & Associated Public Hearings |
| Winter 2022-23: | Final Public Hearing & Adoption of Trustee Area Maps |

This estimated timeline may be augmented or adjusted by the District as necessary. These steps will be followed by submittal of the proposed transition for final approval by the Sacramento County Committee on School District Organization.

Section 4. District staff is authorized to work with SchoolWorks, Inc. and its legal counsel and execute any documents necessary to carry out the intent of this Resolution.

The foregoing Resolution was passed and adopted at a special meeting of the Board of Education on February 9, 2022, by the following vote:

**GALT JOINT UNION ELEMENTARY SCHOOL DISTRICT
RESOLUTION NO. 15**

**RESOLUTION ADOPTING TRUSTEE AREA BOUNDARY MAP AND
ELECTION SEQUENCE FOR ELECTION OF MEMBERS OF THE BOARD OF EDUCATION;
AND SUBMITTING PROPOSAL TO THE COUNTY COMMITTEE ON SCHOOL DISTRICT
ORGANIZATION TO ESTABLISH BY-TRUSTEE AREA ELECTIONS**

WHEREAS, the Galt Joint Union Elementary School District (the "District") is governed by a five-member Board of Education (the "Board") that has been elected by the community to provide leadership and citizen oversight of the District, and ensure that the District is responsive to the values, beliefs, and priorities of the community; and

WHEREAS, the Board believes that its primary responsibility is to act in the best interests of every student in the District and also has major commitments to parents and guardians and all members of the community and District employees; and

WHEREAS, the District is committed to structures that most effectively involve all community members in the democratic process of elections; and

WHEREAS, the terms of the current Board members are as follows: Thomas Silva, 2018-2022; Grace Malson, 2018-2022; Traci Skinner, 2020-2024; Casey Raboy, 2020-2024; and Wesley Cagle, 2018-2022; and

WHEREAS, the next election for members of the Board is scheduled for November 2022; and

WHEREAS, members of the Board are elected "at large," in which each member of the Board is elected by the registered voters of the entire District; and

WHEREAS, the California Voting Rights Act (Elec. Code, §§ 14025 et seq.) ("CVRA") prohibits the use of "at large" elections where their use impairs the ability of a protected class to elect candidates of its choice, or its ability to influence the outcome of elections; and

WHEREAS, many school districts and other local agencies in Sacramento and San Joaquin Counties have recently changed, or are in the process of changing, their elections to by-trustee area elections; and

WHEREAS, proactively making the transition from at-large to by-trustee area elections avoids the potential for the District to have to pay attorneys' fees if it received a letter alleging a violation of the CVRA; and

WHEREAS, a by-trustee area election system, where each Board member residing in each trustee area is elected by the registered voters of that particular trustee area, is not vulnerable to challenge under the CVRA; and

WHEREAS, upon application to and approval of the Sacramento County Committee on School District Organization (the "County Committee"), the election of Board members may be transitioned from "at large" to "by-trustee area" elections; and

WHEREAS, where the resolution of the County Committee approving a proposal to transition the election of board members from "at large" to "by-trustee area" elections contains a declaration that the change is being made in furtherance of the purposes of the

CVRA, the transition may be implemented without an election pursuant to Section 5020(a)(2) of the Education Code; and

WHEREAS, following discussion of the CVRA and the District's current at-large elections, on February 9, 2022, the Board adopted Resolution No. 8, which indicated that the Board intended to make the transition from at-large to by-trustee area elections; and

WHEREAS, the District retained an experienced demographer, Ken Reynolds of SchoolWorks, Inc., to work with its legal counsel and staff to develop proposed trustee area boundary maps; and

WHEREAS, multiple proposed trustee area boundary maps were developed during the process and posted for public review on the District's website; and

WHEREAS, the Board considered three map options (Plan A, Plan B and Plan C) which have been posted online for more than seven days before consideration of this resolution; and

WHEREAS, all proposed trustee area boundary maps incorporate the use of a single-member by-trustee area election system; and

WHEREAS, the populations of the trustee areas in all of the proposed trustee area boundary maps considered were substantially equal in population and drawn to be compact and to contain cohesive, contiguous territory to the extent possible in compliance with legal requirements; and

WHEREAS, pursuant to Elections Code section 10010 the District held public hearings on potential trustee area boundary maps; two public hearings were held prior to the drafting of any maps (February 23, 2022 and March 9, 2022), and three public hearings were held at which public comment was sought on draft maps (March 23, 2022, April 27, 2022, and May 10, 2022); and

WHEREAS, the District posted information about the process and draft maps on its website and the Board has considered all public comment on the maps and elections sequence it received.

NOW THEREFORE, the Board of Education of the Galt Joint Union Elementary School District hereby resolves, determines, and finds the following:

Section 1. That the foregoing recitals are true and correct.

Section 2. That the Board (i) finds that, pursuant to Section 5020(a)(2) of the Education Code, the change in the method of electing members of the District's governing body is being made in furtherance of the purposes of the CVRA; and (ii) adopts the trustee area boundary map attached hereto as "Exhibit A" (also known as "Map B") and believes that its adoption would serve the public interest of the District's residents and voters.

Section 3. That each Board member shall continue to serve their current terms.

Section 4. That the trustee areas from which Board members shall be elected in November 2022, and every four years thereafter, are Areas 1, 2 and 5.

Section 5. That the trustee areas from which Board members shall be elected in November 2024, and every four years thereafter, are Areas 3, and 4.

Section 6. That this resolution shall serve as the District's proposal to the County Committee. The Board hereby requests that the County Committee approve the establishment of the trustee area boundaries indicated on Exhibit A pursuant to Education Code section 5020, subdivision (a)(2) and establish by-trustee area elections for election of members of the Board pursuant to Education Code section 5030, subdivision (b).

Section 7. That the Superintendent and/or his designee are hereby directed to take all necessary steps to:

- (1) submit this resolution to the County Committee for its approval pursuant to Education Code section 5020(a)(2);
- (2) notify the responsible county officials of the Board's determination and provide whatever assistance may be required to implement the Board's direction for future election of Board members; and
- (3) take any action and/or execute any documents which are necessary to carry out, give effect to, and comply with the terms and intent of this resolution.

Board Meeting Agenda Item Information

Meeting Date: February 9, 2022	Agenda Item: 212.277 Presentation Regarding Transitioning Governing Board Elections from At-Large to By-Trustee Area Elections and Consideration of Approval of Resolution No. 8 of the District Intention to Transition from At-Large to By-Trustee Area Elections
Presenter: Lois Yount Chris Keiner, Attorney, Dannis Woliver Kelley	Action Item: XX Information Item:

Board members are currently elected in “at-large” elections, where each member is elected by voters throughout the District. The California Voting Rights Act (CVRA) prohibits the use of “at-large” elections in certain circumstances. “By-trustee-area” elections, in which members are elected by voters in geographical subdivisions of the jurisdiction, are immune from challenge under the CVRA and may provide additional opportunities for candidates from across a jurisdiction to seek election. Thus, many school districts and other local agencies have transitioned from at-large to by-trustee area elections.

Tonight, the Board will receive information from its legal counsel, Chris Keiner from Dannis Woliver Kelley, about the CVRA and the process to transition from at-large to by-trustee areas.

Following the presentation, the Board, pursuant to the statutory process for this transition, will consider approval of a resolution which would indicate its intention to transition Board elections from at-large to by-trustee area elections. The resolution provides a general outline of the public process for developing the trustee area boundary map with an estimated timeline for the process of Spring 2022 to Winter 2023.

Recommended Motion

The Superintendent recommends that the Board of Education adopt Resolution No. 8 Intention to Transition Governing Board Elections from At-Large to By-Trustee Area Elections.

**GALT JOINT UNION ELEMENTARY SCHOOL DISTRICT
INTENTION TO TRANSITION GOVERNING BOARD ELECTIONS
FROM AT-LARGE TO BY-TRUSTEE AREA ELECTIONS**

RESOLUTION NO. 8

WHEREAS, the Galt Joint Union Elementary School District ("District") is governed by a five member Board of Education ("Board");

WHEREAS, members of the Board are elected "at large," in which each member of the Board is elected by the registered voters of the entire District;

WHEREAS, upon application to the Sacramento County Committee on School District Organization, the election of Board members may be transitioned from "at large" to "by-trustee area" elections;

WHEREAS, the California Voting Rights Act (Elec. Code, §§ 14025 et seq.) ("CVRA") prohibits the use of "at large" elections where their use impairs the ability of a protected class to elect candidates of its choice, or its ability to influence the outcome of elections;

WHEREAS, over the past several years, many school districts have received letters threatening litigation if they do not change their method of election from at-large to by-trustee area, alleging that elections for its governing board members violate the CVRA and threatening litigation if the school district did not take action to change the method for electing board members;

WHEREAS, the District has not yet received such a letter, however, the Board recognizes that many school districts and other local agencies are considering changing their elections in light of the CVRA and the threat of litigation;

WHEREAS, the CVRA allows a plaintiff to file suit over violation of the CVRA and recover his or her attorneys' fees, if successful;

WHEREAS, to date, no local agency has successfully defended against a CVRA challenge;

WHEREAS, the District will retain SchoolWorks, Inc., an experienced demographer, located at 8331 Sierra College Blvd, 221, Roseville, CA 95661, Phone: 916-733-0402, www.SchoolWorksGIS.com, to work with its legal counsel and staff to develop proposed trustee area boundaries; and

WHEREAS, the transition to by-trustee area elections will not affect the terms of any Board members.

NOW THEREFORE, the Board of Education of the District hereby resolves, determines, and finds the following:

Section 1. That the foregoing recitals are true.

Section 2. This Resolution indicates the Board's intention to transition from at-large to by-trustee area elections pursuant to Elections Code section 10010, subd. (e)(3)(A).

Section 3. The Board seeks public input on the trustee area boundaries and will employ the following steps and estimated timeline to facilitate this transition:

- | | |
|-----------------|--|
| Spring 2022: | Pre-Map Public Hearings |
| Fall 2022: | Develop Trustee Area Maps with Public Input & Associated Public Hearings |
| Winter 2022-23: | Final Public Hearing & Adoption of Trustee Area Maps |

This estimated timeline may be augmented or adjusted by the District as necessary. These steps will be followed by submittal of the proposed transition for final approval by the Sacramento County Committee on School District Organization.

Section 4. District staff is authorized to work with SchoolWorks, Inc. and its legal counsel and execute any documents necessary to carry out the intent of this Resolution.

The foregoing Resolution was passed and adopted at a special meeting of the Board of Education on February 9, 2022, by the following vote:

Board Meeting Agenda Item Information

Meeting Date: February 23, 2022	Agenda Item: 212.267 Pre-Draft Map Hearing No. 1 Presentation to Transition Governing Board Elections from At-Large to By-Trustee Area Elections
Presenter: Lois Yount	Action Item: XX Information Item:

The Galt Joint Union Elementary School District's Board of Trustees is currently elected under an at-large election system in which voters in the entire District elect trustees. Cities, public entities, and other school districts have recently had their at-large election systems challenged under the California Voting Rights Act (CVRA). On February 9, 2022, the Board adopted a resolution with the intent to transition to by-trustee area elections. In a by-trustee area election system, each Board Trustee must reside within the designated trustee area boundary and is elected only by the voters in that trustee area.

Introduction to Trustee Boundary Maps

Galt Joint Union Elementary School District

Federal Voting Rights Act and the CVRA

Section 2 of the Federal Voting Rights Act of 1965:

Prohibits voting practices or procedures that discriminate on the basis of race, color, or membership in one of the language minority groups identified in Section 4(f)(2) of the Act.

CVRA:

The California Voting Rights Act of 2001 (CVRA) prohibits the use of an at-large election in a political subdivision if it would impair the ability of a protected class, as defined, to elect candidates of its choice or otherwise influence the outcome of an election.

This bill prohibits the use of a district-based election in a political subdivision if it would impair the ability of a protected class, as defined, to elect candidates of its choice. The bill requires a court to implement specified remedies upon a finding that a district-based election was imposed or applied in a manner that impaired the ability of a protected class to elect candidates of its choice.

California Code, Education Code - EDC § 5019.5

Following each decennial federal census, and using population figures as validated by the Population Research Unit of the Department of Finance as a basis, the governing board of each school district or community college district in which trustee areas have been established, and in which each trustee is elected by the residents of the area he or she represents, shall adjust the boundaries of any or all of the trustee areas of the district so that one or both of the following conditions is satisfied:

- (1) The population of each area is, as nearly as may be, the same proportion of the total population of the district as the ratio that the number of governing board members elected from the area bears to the total number of members of the governing board.

- (2) The population of each area is, as nearly as may be, the same proportion of the total population of the district as each of the other areas.

California Code, Education Code - EDC § 1002

The trustee areas shall be as nearly equal in population as may be, except that in establishing or changing the boundaries of the trustee areas the county committee may give consideration to the following factors:

- (1) Topography.
- (2) Geography.
- (3) Cohesiveness, contiguity, integrity, and compactness of territory.
- (4) Community of interests of the trustee areas.

In any event, the county committee shall ensure that trustee areas are as nearly equal in population as practicable.

Trustee Boundary Map Process

Two pre-map public hearings within 30 days:

Board Meeting Agenda Item Information

Meeting Date: March 9, 2022	Agenda Item: 212.280 Pre-Draft Map Public Hearing No. 2 Presentation to Transition Governing Board Elections from At-Large to By-Trustee Area Elections
Presenter: Lois Yount Chris Keiner Ken Reynolds	Public Hearing: XX Information Item:

Board members are currently elected in “at-large” elections, where each member is elected by voters throughout the District. The California Voting Rights Act (CVRA) prohibits the use of “at-large” elections in certain circumstances. “By-trustee-area” elections, in which members are elected by voters in geographical subdivisions of the jurisdiction, are immune from challenge under the CVRA and may provide additional opportunities for candidates from across a jurisdiction to seek election. At its February 9, 2022 special meeting, the Board adopted a resolution indicating its intent to transition from at-large to by-trustee area elections and also received additional information about the planned process and timeline to develop trustee area boundary maps, including a presentation by the District’s legal counsel, Chris Keiner from Dannis Woliver Kelley.

The law requires the Board hold at least two “pre-map” public hearings prior to the development of any maps.

On February 23, 2022, the Board held its first public hearing as part of the process to adopt a trustee area boundary map in order to transition from at-large to by-trustee area elections.

Tonight, the Board will hold its second public hearing as part of the process to adopt a trustee area boundary map in order to transition from at-large to by-trustee area elections.

During this hearing, the Board will receive additional information about the criteria for map development, including a presentation by the District’s demographer, Ken Reynolds from SchoolWorks, Inc. As with the first public hearing on this matter, the public is again asked to provide input regarding the composition of potential trustee area boundaries.

Recommended Motion

The Superintendent recommends that the Board receive additional information about the process and then open a public hearing to gather any public input regarding the composition of potential trustee area boundaries.

On March 23, 2022, at or around 7 p.m., the Galt Joint Union Elementary School District will hold a public hearing to receive community input on "draft" trustee area maps.

On February 9, 2022, the Board adopted Resolution No. 9 2021-22, declaring its intent to transition from at-large to by-trustee area Board elections, where each Board member must reside within the designated trustee area boundary and is elected only by the voters in that trustee area. Board Meeting Agenda Item Information

Meeting Date: March 23, 2022	Agenda Item: 212.283 Public Hearing to Gather Public Input on the Proposed Trustee-area Map Scenarios to Transition Governing Board Elections from At-Large to By-Trustee Area Elections
Presenter: Lois Yount Ken Reynolds Sean Mick	Public Hearing: XX Information Item:

Board members are currently elected in “at-large” elections, where each member is elected by voters throughout the District. The California Voting Rights Act (CVRA) prohibits the use of “at-large” elections in certain circumstances. “By-trustee-area” elections, in which members are elected by voters in geographical subdivisions of the jurisdiction, are immune from challenge under the CVRA and may provide additional opportunities for candidates from across a jurisdiction to seek election. At its February 9, 2022 special meeting, the Board adopted a resolution indicating its intent to transition from at-large to by-trustee area elections and also received additional information about the planned process and timeline to develop trustee area boundary maps, including a presentation by the District’s legal counsel, Chris Keiner from Dannis Woliver Kelley.

The law requires the Board hold at least two “pre-map” public hearings prior to the development of any maps. On February 23, 2022, the Board held its first public hearing, and on March 9, 2022, the Board held its second hearing, as part of the process to adopt a trustee area boundary map in order to transition from at-large to by-trustee area elections. At each “pre-map” public hearing, the public was asked to provide input regarding the composition of potential trustee area boundaries. During the second hearing, the Board received additional information about the criteria for map development, including a presentation by the District’s demographer, Ken Reynolds from SchoolWorks, Inc.

At tonight’s meeting, the Board will hold its first public hearing regarding draft trustee area boundary maps. During this hearing, the public is asked to provide input regarding the composition of trustee area boundaries. Also during the hearing, the Board will receive information regarding the draft trustee area boundary maps from its demographer. The Board may then provide direction regarding the draft maps.

The law requires the Board hold three public hearings prior to the approval of any boundary maps. The Board will hold its second public hearing on revised draft trustee area boundary maps on April 27, 2022 and its third and final public hearing on May 10, 2022, at a special meeting of the Board.

More information about this process and future hearings is available on the District’s website at: <https://gjuesd-ca.schoolloop.com/>

Recommended Motion

The Superintendent recommends that the Board receive additional information about the process and proposed trustee area boundary maps then open a public hearing to gather any public input regarding the proposed maps.

Galt Joint Union Elementary School District

Public Hearing and Action on Galt Joint Union Elementary School District's Proposal Under Education Code Section 5019 to Change Election Methods, Adopt Trustee Areas Map, and Establish Sequence of Elections; Action on Resolution No. CC-22-03

Presented by Ken Reynolds
President, SchoolWorks, Inc.

INTRODUCTION

This presentation illustrates several options for the District to draw maps that balance the population for each of the trustee areas..

- The general guidelines for drawing trustee boundaries include:
 - Topography & Geography
 - Communities
 - Cohesiveness & Contiguous
 - Location of Current Trustees
 - Equal Population
- For each scenario, there are maps showing the boundaries for each trustee area, a table showing the population in each trustee area and the variance from the ideal population. The peak deviation must be less than 10% for the maps to meet the legal requirements. Finally, details of the racial/ethnic populations are provided.

CONCLUSION / NEXT STEPS

These Maps show possible solutions for the board to consider when establishing trustee areas for each of its trustees.

Additional maps can be generated based on input from the board and the community.

Once a final decision is made to approve a boundary map, it will need to be submitted to the County Committee for review and approval.

Board Meeting Agenda Item Information

Meeting Date: April 27, 2022	Agenda Item: 212.297 Public Hearing to Discuss and Identify Final Proposed Trustee-Area Map Preference for Trustee Area Boundaries
Presenter: Lois Yount Ken Reynolds Chris Keiner	Public Hearing: XX Information Item:

Board members are currently elected in “at-large” elections, where each member is elected by voters throughout the District. The California Voting Rights Act (CVRA) prohibits the use of “at-large” elections in certain circumstances. “By-trustee-area” elections, in which members are elected by voters in geographical subdivisions of the jurisdiction, are immune from challenge under the CVRA and may provide additional opportunities for candidates from across a jurisdiction to seek election. At its February 9, 2022 special meeting, the Board adopted a resolution indicating its intent to transition from at-large to by-trustee area elections and also received additional information about the planned process and timeline to develop trustee area boundary maps, including a presentation by the District’s legal counsel, Chris Keiner from Dannis Woliver Kelley.

The law requires the Board hold at least two “pre-map” public hearings prior to the development of any maps. On February 23, 2022, the Board held its first public hearing, and on March 9, 2022, the Board held its second hearing, as part of the process to adopt a trustee area boundary map in order to transition from at-large to by-trustee area elections. At each “pre-map” public hearing, the public was asked to provide input regarding the composition of potential trustee area boundaries. During the second hearing, the Board received additional information about the criteria for map development, including a presentation by the District’s demographer, Ken Reynolds from SchoolWorks, Inc.

The law requires the Board hold three public hearings prior to the approval of any boundary maps. On March 23, 2022, the Board held its first public hearing regarding draft trustee area boundary maps. At tonight’s meeting, the Board will hold its second public hearing regarding draft trustee area boundary maps. During this hearing, as with prior public hearings, the public is again asked to provide input regarding the composition of trustee area boundaries. Also during the hearing, the Board will receive information regarding the draft trustee area boundary maps from its demographer. The Board may then provide direction regarding the draft maps.

The Board will hold its third and final public hearing on May 10, 2022, at a special meeting of the Board. More information about this process and future hearings is available on the District’s website at: <https://gjuesd-ca.schoolloop.com/>

Social Media Awareness for Parents and Students

Young people spend a lot of time on social media. They're also more susceptible to peer pressure, low self-esteem, and mental health issues. A number of studies have found associations between increased social media use and depression, anxiety, sleep problems, eating concerns, and suicide risk. Most of the discipline and bullying issues in schools are starting on social media. Parents should be monitoring the apps their children use and posts they make. Parents should also have access to their children's phones and regularly check them.

The District has partnered with the Sacramento County District Attorney's Office to provide training for parents and students. Please view their [parent presentation](#) and [student powerpoint](#).

Health and Wellness

May is Mental Health Awareness Month. Mental health is essential to overall well-being, and supporting emotional well-being is more important now than ever. Some of us face stress and anxiety on a daily basis. That puts us at higher risk for stress-related physical and mental health problems. The District has partnered with Care Solace to provide mental health support in our community. Care Solace helps individuals find mental health care providers and substance use treatment centers. Their Care Companion™ team is available 24 hours per day, 7 days per week, and 365 days per year to quickly connect you to carefully verified providers in your community. Follow this [link](#) for more information about Care Solace and Mental Health Resources for students and families.

Monthly Highlights

As a District, we are celebrating our wonderful staff the week of May 2nd. We have over 530 employees that work hard every day for our students, families, and community. Help us celebrate our staff by showing your gratitude. There are many ways to show your school staff that you are thankful for all they do. It can be as simple as kind spoken or written words. Ask your children to draw a picture or thank you card for school staff they are thankful for. A little thank you goes a long way.

Upon approval by the County Committee, and submission to the County Registrar of Voters, the map will become effective for the November 2022 election cycle. More information about this process is available on the District’s website at: <https://gjuesd-ca.schoolloop.com/>

Recommended Motion

The Superintendent recommends that the Board consider the draft maps and select a final map and associated election sequence to be submitted to the County Committee on School District Organization for consideration and approval via adoption of the resolution with the selected map identified as “Exhibit A” to the resolution.

**GALT JOINT UNION ELEMENTARY SCHOOL DISTRICT

WHEREAS, the Galt Joint Union Elementary School District (the "District") is governed by a five-member Board of Education (the "Board") that has been elected by the community to provide leadership and citizen oversight of the District, and ensure that the District is responsive to the values, beliefs, and priorities of the community; and

WHEREAS, the Board believes that its primary responsibility is to act in the best interests of every student in the District and also has major commitments to parents and guardians and all members of the community and District employees; and

WHEREAS, the District is committed to structures that most effectively involve all community members in the democratic process of elections; and

WHEREAS, the terms of the current Board members are as follows: Thomas Silva, 2018-2022; Grace Malson, 2018-2022; Traci Skinner, 2020-2024; Casey Raboy, 2020-2024; and Wesley Cagle, 2018-2022; and

WHEREAS, the next election for members of the Board is scheduled for November 2022; and

WHEREAS, members of the Board are elected "at large," in which each member of the Board is elected by the registered voters of the entire District; and

WHEREAS, the California Voting Rights Act (Elec. Code, §§ 14025 et seq.) ("CVRA") prohibits the use of "at large" elections where their use impairs the ability of a protected class to elect candidates of its choice, or its ability to influence the outcome of elections; and

WHEREAS, many school districts and other local agencies in Sacramento and San Joaquin Counties have recently changed, or are in the process of changing, their elections to by-trustee area elections; and

WHEREAS, proactively making the transition from at-large to by-trustee area elections avoids the potential for the District to have to pay attorneys' fees if it received a letter alleging a violation of the CVRA; and

WHEREAS, a by-trustee area election system, where each Board member residing in each trustee area is elected by the registered voters of that particular trustee area, is not vulnerable to challenge under the CVRA; and

WHEREAS, upon application to and approval of the Sacramento County Committee on School District Organization (the "County Committee"), the election of Board members may be transitioned from "at large" to "by-trustee area" elections; and

WHEREAS, where the resolution of the County Committee approving a proposal to transition the election of board members from "at large" to "by-trustee area" elections contains a declaration that the change is being made in furtherance of the purposes of the

CVRA, the transition may be implemented without an election pursuant to Section 5020(a)(2) of the Education Code; and

WHEREAS, following discussion of the CVRA and the District's current at-large elections, on February 9, 2022, the Board adopted Resolution No. 8, which indicated that the Board intended to make the transition from at-large to by-trustee area elections; and

WHEREAS, the District retained an experienced demographer, Ken Reynolds of SchoolWorks, Inc., to work with its legal counsel and staff to develop proposed trustee area boundary maps; and

WHEREAS, multiple proposed trustee area boundary maps were developed during the process and posted for public review on the District's website; and

WHEREAS, the Board considered three map options (Plan A, Plan B and Plan C) which have been posted online for more than seven days before consideration of this resolution; and

WHEREAS, all proposed trustee area boundary maps incorporate the use of a single-member by-trustee area election system; and

WHEREAS, the populations of the trustee areas in all of the proposed trustee area boundary maps considered were substantially equal in population and drawn to be compact and to contain cohesive, contiguous territory to the extent possible in compliance with legal requirements; and

WHEREAS, pursuant to Elections Code section 10010 the District held public hearings on potential trustee area boundary maps; two public hearings were held prior to the drafting of any maps (February 23, 2022 and March 9, 2022), and three public hearings were held at which public comment was sought on draft maps (March 23, 2022, April 27, 2022, and May 10, 2022); and

WHEREAS, the District posted information about the process and draft maps on its website and the Board has considered all public comment on the maps and elections sequence it received.

NOW THEREFORE, the Board of Education of the Galt Joint Union Elementary School District hereby resolves, determines, and finds the following:

Section 1. That the foregoing recitals are true and correct.

Section 2. That the Board (i) finds that, pursuant to Section 5020(a)(2) of the Education Code, the change in the method of electing members of the District's governing body is being made in furtherance of the purposes of the CVRA; and (ii) adopts the trustee area boundary map attached hereto as "Exhibit A" (also known as "Map B") and believes that its adoption would serve the public interest of the District's residents and voters.

Section 3. That each Board member shall continue to serve their current terms.

Section 4. That the trustee areas from which Board members shall be elected in November 2022, and every four years thereafter, are Areas 1, 2 and 5.

Section 5. That the trustee areas from which Board members shall be elected in November 2024, and every four years thereafter, are Areas 3, and 4.

Section 6. That this resolution shall serve as the District's proposal to the County Committee. The Board hereby requests that the County Committee approve the establishment of the trustee area boundaries indicated on Exhibit A pursuant to Education Code section 5020, subdivision (a)(2) and establish by-trustee area elections for election of members of the Board pursuant to Education Code section 5030, subdivision (b).
