Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Consistent with the SCOE LCAP, Nathaniel S. Colley Sr. High School serves students who need supports not commonly found within traditional middle or high schools. Nathaniel S. Colley Sr. High School is directly responsible for serving expelled youth. Within the school there are two programs: the base program serves students who are in 7th-12th grades. Students are primarily served through a daily in-class program. The Senior Extension Program focuses on students who are in 12th grade and need additional time to graduate. We also provide a high-quality alternative education to students and families seeking a smaller school environment through a parent request process.

Our students are predominantly low income and often have needs that extend beyond routine school services. We serve Foster Youth (FY) students who are experiencing homelessness, or who are in temporary housing, and those who have experienced a high level of trauma. We actively engage and involve the families of our English learners (ELs) by providing translation, interpreting, and provide an EL parent liaison as needed. An ELD Coordinator has been hired to improve services provided to English learners. In general, our students have a high rate of school mobility across all student subgroups. According to 2020-21 CALPADS reporting, students in SCOE community schools are enrolled for an average of 125 days.

We are committed to improving academic outcomes and meeting the needs of the whole child. We utilize multi-tiered systems of support (MTSS), intensive intervention in English Language Arts (ELA) and mathematics, project based learning, and a focus on 21st Century skills so students will be successful in their post-secondary education, technical training, or employment. Our achievement is a result of a continuous improvement cycle focusing on the education and wellness programs in our school.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

The most recent SCOE Community School (CS) parent/guardian surveys showed common themes regarding what is working in the programs: strong teachers who care about the whole child; our one-child at a time approach; and our commitment to supporting our students and their families through intensive interventions and wrap-around support services. Surveys also indicated stakeholders valued: a Common Core State Standards (CCSS) aligned curriculum, school climate and safety; transition support; and the Career Technical Education (CTE) offerings and assistance with employment. Students and parents/guardians provided valuable input on how we are doing in the areas mentioned above through surveys completed throughout the year at school events, via email, US mail, text messages, and phone calls. Staff is surveyed annually, and their input from the surveys is used to plan professional development (PD) sequences and evaluate our practices.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Formal classroom observations are conducted to measure student engagement and evaluate instruction and the site leader conducts informal classroom observations daily. Teachers use a variety of instructional methods to support student learning, including large and small group instruction. Special education teachers are available to help students attain their Individualized Education Program (IEP) goals. All academic teachers are Cross-cultural, Language, and Academic Development (CLAD) certified to meet the needs of our English Learner (EL) students. Teachers work diligently to provide instruction that meets state standards as well as trying to meet the unique social, emotional, academic, and transition needs of a highly mobile population.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA) Sacramento County Office of Education (SCOE) has created a Local Accountability System for our community school programs based on five indicators of success: attendance, academic achievement in English Language Arts (ELA), academic achievement in mathematics, credit accumulation, and successful transitions. This data is reported to the SCOE Board of Education each semester. Staff analyzes the data monthly and makes adjustments to classroom instruction and interventions as needed. Nathaniel S. Colley Senior High School conducts staff meetings to review and evaluate student data, and accountability outcomes, which include Renaissance STAR assessments pre and post-test scores, attendance, and credit accumulation to ensure that students are achieving. Staff recognizes the need to support students' social/emotional growth while supporting academic achievement.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Nathaniel S. Colley Senior High School utilizes assessments appropriate for a mobile student population with brief enrollment periods. These measures are shared with the SCOE Board of Education, School Site Council (SSC), and school staff. Teachers have access to individual student data through Renaissance and PowerSchool. Additional measurements include attendance, successful transitions, and assessments. These measures are used to inform program practice and address the needs of the students. At the student level, performance on curriculum-embedded assessments is also reviewed by teachers to assess individual student needs, and to conference with parents/guardians. We utilize a MTSS model that begins after initial Ren Learn assessment data is examined to identify students who are below grade level in literacy and numeracy. Teachers scaffold lessons and differentiate instruction to accommodate and engage multiple levels within one classroom. Students with the greatest needs are provided additional intervention periods in ELA and math during the school day. We also employ special education teachers, academic teachers, transition specialists and CTE teachers, to provide comprehensive support.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

Academic teachers are assigned per California Education Code section 44865, which allows teachers to provide instruction outside of the specific authorization of their issued credential as long as they meet SCOE's subject matter requirements. Also, CTE teachers must hold a California Designated Subjects credential appropriate to the subjects they teach.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

SCOE provides weekly professional development (PD) for certificated staff. PD also addresses Common Core State Standards (CCSS) research-based instructional strategies, high quality instruction, student engagement, SEL and DEI. In addition, Nathaniel S. Colley Senior High School has access to instructional coaches, CCSS English and mathematics, and Peer Assistance and Review (PAR) support.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Staff attend weekly professional development focused on research-based instructional strategies. Also, staff are provided collaboration time to observe their peers and share ideas and teaching strategies. Staff are surveyed throughout the year to give input on PD, and site administrators evaluate student needs regularly as the determinant for additional areas of focus. All PD activities are coordinated to support the Local Education Agency (LEA) plan. We have access to a curriculum specialist for ELA and math intervention, as well as Big Picture Learning coach; teachers may work with the curriculum specialist to utilize effective instructional strategies and increase student engagement.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

Curriculum specialists provide PD, classroom instructional support and coaching to ensure student engagement and achievement. PAR consulting teachers assist on a voluntary or referral basis. SCOE provides evidence-based PD for all CS faculty, focusing on research-based instructional strategies to close the achievement gap for our students.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Teachers at Nathaniel S. Colley Colley Sr. High School have instructional planning time each school day so that they may lesson plan by grade level and subject matter. In addition to weekly meetings, the staff is provided with ongoing PD focusing on engagement strategies, such as project-based learning via Big Picture Learning, trauma-informed teaching strategies and direct instruction in the areas of comprehension, vocabulary, fluency, and mathematics.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA) Nathaniel S. Colley Senior High School uses standards-aligned instructional materials for core instruction and intervention.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Nathaniel S. Colley Colley Sr. High School meets the recommended instructional minutes for ELA and math instruction. The counselor, transition specialists and site teachers conduct a transcript analysis and Ren Learn ELA and math assessments for every new student and make determinations for intervention placement based on the above assessments.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

Academic teachers provide alternative supports in ELA and math through additional period(s) of academic intervention during the school day. These intervention periods are built into the master schedule. Teachers work with the curriculum specialist to ensure that lesson pacing maximizes instructional time. Students are expected to earn fifteen high school credits every quarter.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Nathaniel S. Colley Sr. High School staff utilizes instructional materials that are aligned with CCSS and designed for all student groups, including English Learners (EL) and Special Education.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Nathaniel S. Colley Sr. High School uses only State Board of Education (SBE) standards-aligned instructional materials for core instruction and intervention. These materials include Edge, Edgenuity, Accelerated Reader, Integrated Math I, II, III, California Math Courses 1-3, and McGraw Hill Social Science materials. Colley is piloting two standards-aligned science curricula for future adoption.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Each student has a Student Success Plan (SSP) to ensure he/she receives the academic support necessary for individual and academic achievement. Staff utilizes Renaissance STAR assessments data to further provide intervention support in reading and math. Staffing supports the behavioral needs and mental wellness of students through trauma informed practices. Students have additional access to extended year instruction and enrichment.

Evidence-based educational practices to raise student achievement

Teachers use effective methods and instructional strategies grounded in evidence-based research that strengthens the core academic program. Intervention and core materials utilized to close the achievement gap for our students include: Hampton Brown Edge, Edgenuity, College Board Springboard, Pearson Integrated Math I, II, III, McGraw Hill California Math curriculum, and CA standards-based CTE courses. We also offer mentoring, one-on-one tutoring, and designated intervention periods during the school day.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Parent/guardian involvement is a priority at Colley Sr. High School. A Vice Principal for Family and Student Engagement was hired to build relationships and increase two-way communication with families, and provide linkage to community resources. Strategies to increase parent/guardian involvement include: creating a parent/guardian friendly campus, administering parent/guardian surveys throughout the year to gauge the effectiveness of programming, increasing parent/guardian involvement through parent/guardian involvement events, offering school print materials in Spanish, a bilingual parent/guardian liaison to support our families, our Project Teach staff to support our families experiencing homelessness, and a transition specialist focused on contacting and assisting parents/guardians to support their student's academic and personal achievement goals. We also employ a dedicated site based Mental Health and Wellness Clinician to assist families and students during difficult times. SCOE has partnerships with community based organizations to provide additional support to students. ELAC advises school site on site plan, parental involvement and attendance policies.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Nathaniel S. Colley Sr. High School operates a combined School Site Council (SSC) with Elinor L. Hickey and North Area Community Schools, comprised of pertinent stakeholders. The SSC meets three times per year to provide valuable input into the development of our School Plan for Student Achievement (SPSA), and our Local Control and Accountability Plan (LCAP). These committees also approve, plan, implement, monitor, and evaluate school programs for effectiveness. Teachers provide input into decisions regarding core instructional materials, intervention materials, and the use of academic assessments. Input from parents/guardians is also gathered via mail, email, phone calls, text messages, and personal contact during school events.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

- Ongoing tutoring and academic support
- Dedicated periods for intervention and remediation during the school day
- Student Success Plan developed for each student
- Career and post-secondary exploration and training- Northern California Construction Training (NCCT)
- Life skills
- Effective transitions into our community schools and support with transitioning back to a comprehensive school setting, high school completion, enrollment in a career pathway, or post-secondary pathway
- Direct efforts by non-profits to increase college and career readiness
- · Mental Health and Wellness Clinician

Fiscal support (EPC)

Title IA and Title ID funds are used to provide Tier I and II supports, including additional intervention periods during the school day, intervention materials, tutors, counselors, a parent/guardian liaison, a bilingual parent/guardian liaison, and Transition Specialists so that we may provide intensive intervention, remediation, and necessary social supports.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Stakeholder engagement processes began with the School Site Council in the Spring of 2022 with the development of the School Plan for Student Achievement (SPSA) and review of the 2022-23 LCAP goals. The site principal led a variety of engagement processes, individual parent engagement and survey administration, parent and student engagement following student exhibitions, email engagement for all parents, and IEP and SST and Meet and Greet meetings.

Stakeholders were involved throughout the year through parent, student and staff meetings, non-profit partners, ongoing surveys distributed to certificated and classified staff, students, parents, and

all relevant stakeholders. This engagement process included site safety planning, school site council, and weekly staff meetings.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

We ensure equitable access to quality instruction and educational equity for all students. We also ensure that effective, qualified and experienced teachers are teaching our low income students, and students of color.

We ensure equitable access to rigorous course offerings by providing access to advanced education opportunities and UC a-g coursework. In addition we ensure our students have access to writing workshops and construction technology classes.

Conclusions based on this data:

1. To address the high number of students testing below standards in ELA, staff will continue to participate in an ongoing PD focusing on research-based instructional strategies in ELA and will continue to provide intensive intervention to all students performing below grade level.

SCOE sites utilize Ren Learn ELA, Ren Learn pre and post assessments, and Springboard and Edge core and intervention materials to support students testing below grade level in reading. These are all evidence-based ELA programs designed to increase literacy rates.
programo designed to more designed.

- 1. To address the high number of students testing below standard in math, staff will continue to participate in an ongoing PD focusing on research-based instructional strategies in math and will continue to provide intensive intervention to all students performing below grade level.
- 2. SCOE utilizes SBE adopted curriculum from Pearson Integrated Math I, II, III, and McGraw Hill California Math in all CCS programs.
- 3. SCOE will provide math intervention periods during the school day.

Conclusions based on this data:

1. Site did not meet the minimum criteria of student enrollment with valid test scores to report disaggregated data

Student Population

Although both Senate Bill 98 and Assembly Bill 130 suspended the publication of state indicators on the 2020 and 2021 California School Dashboards, these bills also required the reporting of valid and reliable data that would have been included in these Dashboards.

To meet this requirement, CDE has made available the Enrollment, Graduation Rate Additional Report and the College/Career Measures Report data available. All other reports are not available for 2020 and 2021.

This section provides information about the school's student population.

	2020-21 Stude	ent Population	
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
407	67.3	10.8	2.2

This is the total number of students enrolled.

This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.

This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.

This is the percent of students whose well-being is the responsibility of a court.

2019-20 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	44	10.8
Foster Youth	9	2.2
Homeless	48	11.8
Socioeconomically Disadvantaged	274	67.3
Students with Disabilities	33	8.1

Enrollment by Race/Ethnicity			
Student Group	Total	Percentage	
African American	88	21.6

Hispanic	165	40.5	
Two or More Races	35	8.6	
Native Hawaiian or Pacific Islander	4	1.0	
White	77	18.9	

^{1.} Most of our students at this site are socioeconomically disadvantaged.

- 2. There is a high percentage of homeless students.
- **3.** The majority of students identify as BIPOC (62.1%).

Overall Performance

Although both Senate Bill 98 and Assembly Bill 130 suspended the publication of state indicators on the 2020 and 2021 California School Dashboards, these bills also required the reporting of valid and reliable data that would have been included in these Dashboards.

To meet this requirement, CDE has made available the Enrollment, Graduation Rate Additional Report and the College/Career Measures Report data available. All other reports are not available for 2020 and 2021, thus the most recent data (2019 Fall) is provided here.

Academic Performance English Language Arts No Performance Color Mathematics No Performance Color College/Career Red Conditions & Climate Suspension Rate Red Chronic Absenteeism No Performance Color

- 1. Based on the graduation data there is a need to accurately classify incoming students at their appropriate grade level based on their credits, and continue to monitor their progress towards graduation.
- 2. College and career data collection processes will be refined to ensure college and career indicators are captured accurately.
- 3. We will need to Increase mental health and wellness supports for students and engage in PD for staff.

Academic Performance English Language Arts

- 1. While Colley does not have a statistically significant population of students in any student group, we are not demonstrating that students are college and career ready. To rectify this, we have implemented a 30/60/90 day plan for all students and are developing a tool to more accurately track when students complete an indicator.
- 2. Two students completed a CTE pathway.
- 3. This does not reflect the number of students completing other career indicators, such as earning a food handler's certificate, OSHA 10, and pre-apprenticeship

Academic Engagement Chronic Absenteeism

Socioeconomically Disadvantaged	81	57	0	70.4				
Students with Disabilities	12	7	0	58.3				
African American	25	12	0	48				
American Indian or Alaska Native	2		0					
Asian	4		0					
Filipino	1		0					
Hispanic	45	35	0	77.8				
Native Hawaiian or Pacific Islander	1		0					
White	8		0					
Two or More Races	13	11	0	84.6				

- 1. Based on the graduation data there is a need to ensure we accurately classify incoming students at their appropriate grade level based on their credits, and continue to monitor their progress towards graduation.
- 2. Graduation rate for African American students is lower than the overall graduation rate.
- **3.** Graduation rate for students with disabilities is lower than the overall graduation rate.

School and Student Performance Data

Conditions & Climate Suspension Rate

Although both Senate Bill 98 and Assembly Bill 130 suspended the publication of state indicators on the 2020 and 2021 California School Dashboards, these bills also required the reporting of valid and reliable data that would have been included in these Dashboards.

To meet this requirement, CDE has made available the Enrollment, Graduation Rate Additional Report and the College/Career Measures Report data available. All other reports are not available for 2020 and 2021, thus the most recent data (2019 Fall) is provided here.

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance

Highest Performance

This section provides number of student groups in each color.

2019 Fall Dashboard Suspension Rate Equity Report				
Red	Orange	Yellow	Green	Blue
3	0	0	0	0

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2019 Fall Dashboard Suspension Rate by Year			
2017	2018	2019	
	6.1	10.1	

Conclusions based on this data:

1. Decreasing suspension rates is still a focus.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Student Success

LEA/LCAP Goal

Student Success

Goal 1

Guarantee all students successful transitions in our programs to prepare them for college, career, and success in life by achieving a Successful Transition Rate of 100% each year.

Identified Need

Nathaniel S. Colley Senior High School serves students with the highest needs in Sacramento County. Post-secondary success, academic achievement, and progress for English learners are areas in need of improvement. In developing the goal for Student Success, we identified a need for SCOE's students to improve their academic outcomes and to become more aware of post-secondary options for education or employment. Students need a clear pathway to finish their high school education and successfully transition to post-secondary training and employment/career. Every student will need a Student Success Plan that will be developed collaboratively with staff, students, and parents/guardians so that the roadmap for each student's progress is clear. Students need engaging experiences that expose them to post-secondary opportunities. The graduation rate remains well below the state average.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
ELA Ren Learn Short Cycle Assessments for students enrolled for a minimum of 40 instructional days with a pre and post assessment	0-only one student qualified	5%
Math Ren Learn Short Cycle Assessments for students enrolled for a minimum of 40 instructional days with a pre and post assessment	0-no students qualified	5%
Credit completion (10 credits per month)	31%-Community school 20%-senior extension	35%-Community School 25% SE
Completion of Career Assessment	59%-Community school 10%-senior extension	80%

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Percent of EL Students enrolled at least 90 cumulative days who progress at least on level on the ELPAC.	new metric	10%
Successful transitions	100% Community School, 55% senior extension	100% CS, 100% SE

Annual Review

SPSA Year Reviewed: 2021-22

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

All strategies were implemented as planned and were effective.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Funds were spent as intended.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Professional development will be updated to include DEI and SEL. Non profit community partners will be expanded and scheduling will be revised. Revisit credit accumulation goals and data points per grading period per student as well as provide training for Edgenuity and curriculum alignment.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Partnership Goal

LEA/LCAP Goal

Partnership Goal

Goal 2

Through a safe and supportive school climate, partner with families and the community to guarantee successful transitions for our students to prepare them for college, career, and success in life.

Identified Need

Both qualitative and quantitative data demonstrate the need to establish a school-going routine and strengthen a positive school climate and relationships systemwide. Attendance data indicates the need to focus on improved student engagement. Parent response to connectedness indicated a need for improvement in this area. There is a need for SCOE staff, community partners, and parents to work together to assure a successful transition for all students.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Attendance Rate - Base Program	68%	70%
Attendance Rate - Senior Extension	50%	52%
Student responds positively to one or more survey statements measuring connectedness and engagementBase Program	76% Overall	81%
Student responds positively to one or more survey statements measuring connectedness and engagementSenior Extension	84% Overall	89%
DASS Graduation Rate	2020-70.5%	75.5%
Suspension Rates	2020-0.9% remote learning, 2019-10.1%	8.6%
Student participation rate with CBOs-Base Program	new metric	50%
Student participation rate with CBOs-Senior Extension	new metric	50%

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

ΑII

Strategy/Activity

Mental health clinicians address urgent student needs including but not limited to bullying, trauma, suicide prevention, and LGBTQ+ student services. School staff will implement trauma-informed strategies to ensure students' social-emotional needs are met. Staff and students will be informed on how to refer students or self-refer.

Proposed Expenditures for this Strategy/Activity

Annual Review

SPSA Year Reviewed: 2021-22

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

All actions implemented as written.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Funds were spent as intended.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Staff and students will be informed on how to refer students or self-refer to mental health clinicians. Retrain teachers in student success plans and review and revise data collected in the plans. Print and share SSPs with students. Develop a process for sharing documentation and links for graduation options. School leadership discuss pertinent info with SIS department staff. Review and revise attendance incentive procedures.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

Description	Amount
Total Funds Provided to the School Through the Consolidated Application	\$402,703.00
Total Federal Funds Provided to the School from the LEA for CSI	\$0
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	\$446,448.00

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

Federal Programs	Allocation (\$)
Title I Part A: Allocation	\$345,467.00
Title II Part A: Improving Teacher Quality	\$4,500.00

Subtotal of additional federal funds included for this school: \$349,967.00

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

State or Local Programs	Allocation (\$)
District Funded	\$43,705.00
Title I A Foster Youth Set Aside	\$32,500.00
Title I Part D: Allocation	\$20,276.00

Subtotal of state or local funds included for this school: \$96,481.00

Total of federal, state, and/or local funds for this school: \$446,448.00

Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

Funds Budgeted to the School by Funding Source

Funding Source	Amount	Balance
----------------	--------	---------

Expenditures by Goal

Goal Number	Total Expenditures
Goal 1	303,011.00
Goal 2	143,437.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 2 School Principal
- 2 Classroom Teachers
- 1 Other School Staff
- 3 Parent or Community Members
- 2 Secondary Students

Name of Members	Role
Lisa Alcala	Principal
Craig Bradford	Principal
Philip Cloeter	Principal
Nicole Peyret	Classroom Teacher
Mark Benson	Other School Staff
Alejandro Reyes	Secondary Student
Sherlyn Sotelo Cabrera	Secondary Student
Heather Oswalt	Parent or Community Member
Judith Marquez	Parent or Community Member
Ann Leber	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Horcald LA M

Committee or Advisory Group Name

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on May 26, 2022.

Attested:

Principal, Lisa Alcala on 5/26/22

SSC Chairperson, Mark Benson on 5/26/22
